#### 15. PETITIONS/COMMUNICATIONS/MOTIONS

#### 15.1 Cameras on School Buses

Resolution No. 2019-0061
Moved by: Councillor J. Hurst
Seconded by: Mayor R. Bonnette

WHEREAS the Town of Halton Hills promotes road safety and works in partnership with Halton Regional Police Services on various road safety programs;

WHEREAS the Town of Halton Hills supports the use of cameras on school buses to ensure the travelling motorists obey the Highway Traffic Act and stop for school buses when the stop arm is deployed;

AND WHEREAS Halton Regional Police Services are pursuing a pilot project call "Bus Guard" to install cameras on the school buses to collect data on the location and number of violations that are occurring;

AND WHEREAS in 2017, the Mayor provided a letter of support to Halton Regional Police Services to apply for grant funding to pursue the pilot program;

THEREFORE BE IT RESOLVED that the Town of Halton Hills continues to support the placement of cameras on school buses;

AND FURTHER THAT the cameras for the school buses be installed at the beginning of the 2019/2020 school year;

AND FURTHER THAT this resolution be circulated to MPP Ted Arnott, Halton Regional Police Services, City of Burlington, Town of Oakville, and Town of Milton, Halton Region and both local school boards.

**CARRIED** 

### 15.2 Require Aggregate Extraction Proponents to Demonstrate Need for the Particular Supply of Resources Proposed for Extraction

Resolution No. 2019-0062 Moved by: Mayor R. Bonnette

Seconded by: Councillor C. Somerville

WHEREAS a license application under the Aggregate Resources Act and a Zoning By-law Amendment application under the Planning Act has been submitted by James Dick Construction Limited for the proposed Hidden Quarry located on the north side of Highway 7, in the Township of Guelph/Eramosa;

AND WHEREAS a primary concern for Town of Halton Hills Council is an increase in truck traffic through Halton Hills as it is anticipated, but not demonstrated, that the Greater Toronto Area will be the principal market for materials extracted from the proposed quarry;

AND WHEREAS it is widely acknowledged that extracting aggregates from the landscape is an intrusive activity that has the potential to cause long-term impacts on publicly important environmental resources and farmland; increases in traffic congestion, road damage, and greenhouse gas emissions; and degrade the quality of life of local communities;

AND WHEREAS in 2005 the Provincial Policy Statement was amended to allow aggregate producers to propose extraction sites without having to demonstrate the need for the additional supply of aggregate resources, thereby creating a barrier to comprehensive planning and favouring the protection of aggregate extraction at the expense of other provincial interests, and as a result encouraging the rapid and non-sustainable use of the resource;

AND WHEREAS applications for licences under the current Aggregate Resources Act do not require proponents to demonstrate need to extract aggregate resources in a particular area;

THEREFORE BE IT RESOLVED THAT the Town of Halton Hills Council request that the Ontario Government amend the Provincial Policy Statement and the Aggregate Resources Act to require aggregate extraction proponents to demonstrate need for the particular supply of resource proposed for extraction;

AND FURTHER THAT this resolution be forwarded to the Minister of Municipal Affairs and Housing, Minister of Natural Resources and Forestry, Minister of the Environment and Climate Change, Minister of Agriculture, Food and Rural Affairs, Provincial Opposition Party leaders, the Environmental Commissioner of Ontario, Halton Region, the Town of Oakville, the City of Burlington, the Town of Milton, Michael Chong - Wellington-Halton Hills MP, Ted Arnott - Wellington Halton Hills MPP, FCM, AMO, GET, Guelph-Eramosa and the Premier of Ontario.

#### **MEMORANDUM**

**TO:** Mayor Bonnette and Members of Council

**FROM:** Warren Harris, Commissioner of Recreation and Parks

**DATE:** March 22, 2019

MEMORANDUM NO.: MEM-RP-2019-0001

**RE:** Recreation Rates and Fees Strategy Update

#### PURPOSE OF THE MEMORANDUM:

The purpose of this Memorandum is to update Members of Council on the status of the Recreation Rates and Fees Strategy project timeline and community engagement process.

#### **BACKGROUND:**

In December 2018, Council approved Resolution 2018-0184 regarding the terms of reference for the Recreation and Parks Strategic Action Plan being undertaken in 2019/20. As illustrated in Appendix A, the Rates and Fees Strategy is one of the core components of the supplemental information required to inform the Strategic Action Plan.

In January 2019, staff awarded Proposal P-122-18 to the firm of Watson & Associates Limited to carry out the scope of work related to the rates and fees review.

#### **COMMENTS:**

#### **Project Goal**

The goal of the Recreation and Parks Rates and Fees Strategy is to review the existing rates and fees structure and provide a new framework to rationalize rates, subsidy/cost recovery levels, and future trends based on projected demographics.

#### **Guiding Principles**

The following guiding principles for the review of the Recreation and Parks Department rates and fees are consistent with other municipalities and a policy framework developed by Parks and Recreation Ontario:

- Affordable access is critical to the delivery of Recreation and Parks programs, services and facilities;
- User fee policies must be specific to the needs of the residents of Halton Hills;
- Rates and fees should strike a balance between reliance on tax base funds, other funding sources, and user fees;
- All residents should have affordable access to basic services in order to enjoy a better quality of life.

#### **Project Objectives**

Staff have identified the following key objectives of a Rates and Fees Strategy:

- To determine how the rates and fees should respond to changing demographics, employment forecasts and income levels;
- To define a fair and transparent recovery rate for the various programs and services provided in Recreation and Parks;
- To ensure that required service delivery is sustainable without significant burden on the tax base;
- To define a rate structure that aligns with those services that most benefit the community and the public's ability to pay (public: private services and benefits);
- To engage the public in key aspects of the rate review per the Town's public engagement process.

#### **Key Tasks**

Watson & Associates Limited will be carrying out the following key tasks as part of the project scope:

- Provide an analysis of demographic trends for the next ten years and implications for rates and fees for the delivery of services for children, youth, adults and older adults. Review trending employment rates and incomes levels in Halton Hills and implications for a cost recovery assessment.
- 2. Review the Recreation and Parks' existing comparative rate review (2017) and provide a summary of key pricing policies in Halton Region and other comparably sized municipalities.
- 3. Assess the current level of subsidy in existing programs and services in Halton Hills for the following business areas such as aquatics, arenas, community programs, active living programs, sports fields, parks, hall and meeting room

- rentals, advertising.
- 4. Provide a policy framework that outlines the key principles to be addressed in a rate recovery model – how and in what context fees will be established and managed, as well as the guiding principles that would influence a rates and fees policy.
- 5. Outline a proposed rate recovery model for each service area based on the direct, indirect, and capital costs required for program and service delivery. The model would be developed in Excel or acceptable alternative for future use by the Town in assessing rate recoveries.
- 6. Facilitate the community engagement process with support from Town staff.

#### **Public Engagement**

Staff propose to carry out the following public engagement program to align with the Public Engagement Charter:

Engagement Tools - Consult	Target Date(s)

#### **CONCLUSION:**

Staff are working with the firm Watson & Associates Limited to complete a Recreation Rates and Fees Strategy in 2019 as a component of the overall Strategic Action Plan. Council will be apprised of the Strategy's outcomes later in 2019 as part of a directions report to be prepared by staff, following the public engagement process.

#### **MEMORANDUM**

**TO:** Mayor Bonnette and Members of Council

**FROM:** Chris Mills, Commissioner of Transportation & Public Works

**DATE:** April 3, 2019

MEMORANDUM NO.: MEM-TPW-2019-00011

**RE:** Pedestrian Crossover

#### PURPOSE OF THE MEMORANDUM:

The purpose of this memorandum is to inform Council on the implementation of Pedestrian Crossovers within the Town of Halton Hills to promote pedestrian safety.

#### **BACKGROUND:**

As part of the Traffic Engineering Work Plan report, it was noted that six (6) Pedestrian Crossovers were installed in 2018 and an additional two (2) will be installed in 2019. On January 1, 2016 the Highway Traffic Act was amended to provide additional pedestrian safety at marked crossovers. This memo outlines the current requirements for motorists, pedestrians and cyclists at the crossover locations. The attached graphic will be posted on our website and promoted through social media network.

#### **COMMENTS:**

At marked pedestrian crossovers, pedestrians are required to press the pushbutton to activate the flashing lights (if applicable), indicate your intention to cross by extending your arm and pointing and wait for traffic to stop. It is good practice to make eye contact with the drivers to ensure awareness.

A motorist must be prepared to stop for pedestrians at marked crossovers and stop behind the yield line. New rules require that the driver remains stopped until the pedestrian is completely across the intersection. Motorists are prohibited from passing stopped cars at pedestrian crossovers. Failure to obey will result in a fine of \$150 - \$500 and 3 demerit points.

Cyclists must obey the same rules as motorists when riding with traffic and are required to dismount and follow the rules for pedestrians when utilizing a pedestrian crossover.

#### **PUBLIC ENGAGEMENT:**

Since our first pedestrian crossover installation in 2017, Town staff has been working with our local schools at locations where the pedestrian crossovers have been implemented to educate the students on how to properly use them. Staff recently spent the day with Georgetown District High School students and informed them on the pedestrian crossovers along with other road safety initiatives. In addition, as part of the initial installation at each location, we continue to educate the drivers in partnership with Halton Regional Police Services so that they completely understand their responsibility as a driver when a pedestrian and or cyclist enters the crosswalk. Staff will continue to take opportunities to advise the public of these devices and the roles and responsibilities associated with them.

#### **CONCLUSION:**

The Town of Halton Hills promotes pedestrian safety and works in partnership with Halton Regional Police Services. The installation of pedestrian crossovers promotes the overall safety for active transportation. In 2019, staff will be implementing an additional 2 pedestrian crossovers within the community.

# Pedestrian Crossovers

A pedestrian crossover is a type of crossing where by law, drivers and cyclists must stop for pedestrians intending to cross the road.

Pedestrian crossovers are all marked by signs and pavement markings. Some require pushbuttons to activate flashing lights.

# WHEN DRIVING, WALKING OR BICYCLING:

- **PAY ATTENTION**
- ► READ THE SIGNS
- **LEARN THE RULES**

In 2017, the Town will be implementing pedestrian crossovers throughout Halton Hills

# STAY SAFE! Use new pedestrian crossovers (PXO) correctly

#### **Pedestrians**

- Press pushbutton for flashing lights (if applicable)
- Indicate your intention to cross by extending your arm and pointing
- Wait for traffic to stop
- Make eye contact to ensure the driver sees you

#### **Motorists/Drivers**

- ► Be prepared to stop for pedestrians
- ► Stop behind the yield line
- Wait until pedestrian completely crosses road before proceeding
- Make eye contact to ensure the pedestrian sees you
- ▶ Do not pass another stopped vehicle
- Drivers will be fined \$150 to \$500 and receive 3 demerit points for offences at pedestrian crossovers

#### **Cvclists**

- Follow rules for drivers when riding with traffic
- Follow rules for pedestrians when crossing at PXO; dismount and walk your bike

- 2. To reduce the side yard setback from the minimum 1.2 m to permit a 0.61 m side yard setback (porch).
- **3.** To reduce the setback from the interior side lot line from the minimum 1 m to permit a 0.61 m setback (air conditioner).

To accommodate a proposed addition and porch.

**Location:** 12 McNabb Street (Georgetown)

Present (oral submissions):

· Doug Matthews, agent

**T. Boutassis:** Stated the subject property is located in a mature neighbourhood, and when considering the variance to reduce the front yard setback, staff reviewed the drawings and conducted a site visit. Advised that the difference in distance from the front property line to the existing porch and the proposed porch, is approximately 1 meter. Noted no objection to approval, subject to condition.

**D. Matthews:** Stated that the proposal is for a (partial) second storey addition and porch.

It was MOVED by Wayne Scott, SECONDED by Blair Roedding, AND CARRIED "THAT MINOR VARIANCE APPLICATION D13VAR19.001H - SHOWALTER, BE APPROVED, SUBJECT TO CONDITION."

- Reasons for decision: The Committee considered the variance(s) to: meet the intent and purpose of the Official Plan, and the Zoning By-law, be desirable for the appropriate use of the land, building or structure, and be minor in nature.
- The associated Planning report is dated January 30, 2019.
- The Chairman informed those in attendance of the 20-day appeal period.

- Reasons for decision: The Committee considered the variance(s) to: meet the intent and purpose of the Official Plan, and the Zoning By-law, be desirable for the appropriate use of the land, building or structure, and be minor in nature.
- The associated Planning report is dated January 27, 2019.
- The Chairman informed those in attendance of the 20-day appeal period.

## 5H. HEARING #8

## Minor Variance D13VAR19.006H - Van Zeumeren

Requesting relief from Zoning By-law 2010-0050, as amended,

1. To reduce the exterior side yard setback from the minimum 4.5 m to permit a 1.22 m exterior side yard setback (garage).

To accommodate a proposed garage.

Location: 11 Arletta Street (Georgetown)

Present (oral submissions):

- Doug Matthews, agent
- **J. McMulkin:** Stated the subject property is located in a mature neighbourhood, and advised that there is an existing line of trees for screening, the existing carport already has a deficient exterior side yard setback, and the property is located in a quiet neighbourhood (with less traffic). Noted no objection to approval, subject to condition.
- **D. Matthews:** Was present to answer any questions.

It was MOVED by Blair Roedding, SECONDED by Wayne Scott, AND CARRIED "THAT MINOR VARIANCE APPLICATION D13VAR19.006H - VAN ZEUMEREN, BE APPROVED, SUBJECT TO CONDITION."

## **5I. HEARING #9**

## Minor Variance D13VAR19.007H - Upson

Requesting relief from Zoning By-law 2010-0050, as amended,

- 1. To increase the floor area for a single accessory building from the maximum 80 sq m to permit a 254.3 sq m accessory building (accessory building).
- **2.** To increase the total accessory building floor area from the maximum 120 sq m to permit a 265.44 sq m accessory building floor area for all accessory structures.
- **3.** To increase the height for a single accessory building from the maximum 5 m to permit a height of 7.4 m (accessory building).

To accommodate a proposed accessory building.

**Location:** 9116 Sixth Line (Esquesing)

**Present** (oral submissions):

- H. Arnold, agent
- **J. McMulkin:** Gave a history of the proposal as it had been refused by the Committee in the past. Noted that a new application is before the Committee, and that a neighbour

who had previously objected is in support of the new application. Advised that the appearance of the structure will be reduced due to: sloping grade, tall trees providing screening, orientation of the building showing the width and the full length, and the applicant stating that no commercial activities will be undertaken. Noted no objection to approval, subject to condition.

- **H. Arnold:** Stated that the existing accessory building is being demolished and the applicant worked with the neighbour to determine the proposed location.
- **W. Scott:** Asked for clarification as to the application noting the section of the by-law that deals with replacements of storage buildings.
- **H. Arnold:** Responded that he was pointing out that they have the right to replace it.

W. Scott & H. Arnold discussed whether the shed located on the sketch is included. The Secretary-Treasurer clarified that the total floor area includes all structures on site.

## **Programs & Properties (Designated, Listed, Other)**

2A The Way We Were and Then and Now

The Way We Were and Then and Now are featured in the Independent Free Press with photos from the Esquesing Historical Society Archives. Heritage Halton Hills members research and prepare the caption for each submission. With the new committee term, members are needed to continue this important work in our local newspaper.

A. Walker and R. Denny volunteered to continue their work on this feature but will come back to the committee next year to see if other members want to take on this role.

## 2B(i) 14 Church Street, Georgetown

S. Burke provided an update on the status of 14 Church Street. The owners went through the minor variance process with the Committee of Adjustment. The former Heritage Planner brought it to the attention of the committee as the intent was to increase the square footage of the property including a front and back dormer.

The minor variance was approved by the Committee of Adjustment, contrary to the Planning staff recommendation, leaving Council with the only option to appeal the decision to the Local Planning Appeal Tribunal (LPAT). Heritage Halton Hills recommended that Council appeal the decision, which Council did while keeping avenues open to reach a settlement of the appeal with the property owner, and the matter went on to the LPAT. Prior to the LPAT hearing, the Town reached a settlement with the property owner that the dormer would only be put on the back of the structure not the front. A separate appeal by the neighbouring property owner was withdrawn. The LPAT approved the settlement in a verbal decision and the Town is currently waiting for the written LPAT Decision and Order.

## 2B(ii) 10686 Eighth Line, Reid Farmstead/Alison Farm

Councillor T. Brown asked if S. Burke could provide an update on 10686 Eighth Line, Reid Farmstead/Alison Farm as the committee previously expressed concern that it be preserved as part of Vision Georgetown. S. Burke noted the developer, as part of their planning application, will be required to provide a Heritage Impact Study that will identify how the property can be preserved in situ or what plans they have for the structure. However, as it is not known when that will happen there is concern that it not be another case of demolition by neglect.

S. Burke advised that Enforcement has not received any property standards complaints with regard to this property at this time. R. Denny noted the former Heritage Planner contacted the Owner to inquire about a site visit but it was not arranged prior to her departure. Councillor T. Brown asked S. Burke to come back to the committee with an update.

## 2C 2019 Heritage Property Grant Program

A. Mancuso sent the 2019 Heritage Property Grant Program mailing by registered mail to eligible designated properties on February 20, 2019. One application was received on February 28 for a project scheduled to begin June 1, 2019. Staff will bring the application to the April or May meeting. The deadline for applications is June 1 but as that is a Saturday, applications must be received by 4:30 p.m. on Monday June 3, 2019.

## 2D Designation Plaques

In October 2018, staff were advised by a Bower Street (Syndicate Housing) property owner of the theft of their designation plaque sometime in August 2018. A total of three designation plaques were stolen. The 2019 Heritage Property Tax Refund Program (2018 Tax Year) mailing in December 2018 included a letter from Heritage Halton Hills advising property owners of these and other thefts that occurred in Speyside and Norval. Owners are not instructed where the designation plaque is to be mounted but in the letter they were asked to advise the committee if they relocate their plaque in response to the recent thefts.

The committee will look into alternative materials to bronze for the designation plaques.

#### 2E 2019 Summer Student

In January, A. Mancuso applied for a Canada Summer Jobs grant through Human Resources. To date there is no word on whether a grant has been awarded for the Heritage Halton Hills summer student position. B. Cosper and A. Douglas volunteered to review applications and interview applicants for the summer position.

## Information, Announcements & Upcoming Events

## 3A Community Open House & Sustainability Fair

In January, A. Mancuso registered the committee for the Community Open House & Sustainability Fair which will take place on Saturday April 27 at Georgetown Market Place, 10:00 a.m. – 4:30 p.m.

During the event, members and staff will be on hand to give out brochures and answer questions.

## 3B CHO Membership

In December 2018, A. Mancuso renewed the Community Heritage Ontario (CHO) membership for 2019 and requested digital copies of CHOnews which will be emailed to members quarterly.

## 3C 2019 Ontario Heritage Conference

The 2019 conference will be held May 30 – June 1 in Bluewater/Goderich Ontario. The Early Bird registration deadline is before Tuesday April 30, 2019. Prior to the April 17 committee meeting, members are to advise Councillor T.

Brown and A. Mancuso if they wish to attend.

3D Syndicate Housing Heritage Conservation District Committee Meeting

According to the Syndicate Housing Heritage Conservation District Plan, the term of Chair is to be renewed within 180 days of the election of a new Town Council. Syndicate Housing property owners will be invited to attend the April meeting to elect a chair and the regular scheduled Heritage Halton Hills Committee meeting will follow. The two meetings will be held at the Acton Town Hall on April 17.

## **Closed Meeting**

## **MINUTES**

Minutes of the Active Transportation Committee meeting held on Tuesday, March 26, 2019, at 6:30 p.m., in the Esquesing Room Halton Hills Town Hall.

**MEMBERS PRESENT:** Councillor J. Fogal, Chair; K. Willard, Halton Region; A. Sommer;

R. Hendry; C. Lenz; A. Stiehl; T. Keenie; S. Superina

**REGRETS:** Councillor C. Somerville; Councillor W. Farow-Reed; G. Price-

Jones; A. Welter

**STAFF PRESENT:** K. Okimi, Manager of Parks & Open Space; R. Stribbell,

Transportation Planner; M. Taylor, Recreation Coordinator; V.

Petryniak ,Deputy Clerk

## 1. INTRODUCTIONS

Councillor J. Fogal introduced herself as the Chair of the Active Transportation Committee and each member and staff present gave a brief introduction as well.

### 2. CODE OF CONDUCT

V. Petryniak explained the new requirements mandated by the Province of Ontario for all Municipal Councils to adopt a Code of Conduct which outlines the ethical framework to provide accountable and transparent practices within the roles and responsibilities of all local boards and committees. All members of the committee were given copies of the Code of Conduct which outlines rules and processes. Members were asked to take time to read the Code of Conduct and at the next meeting will sign a waiver stating they have reviewed and understand the principles regarding the Code of Conduct.

#### 3. TERMS OF REFERENCE

J. Fogal gave a brief overview of the committee's terms of reference and explained the difference between the Active Transportation Committee and the Bike It subcommittee. Staff are currently working on a new terms of reference which will be shared with the committee when complete.

## 4. MAIN STREET AND MAPLE AVENUE MULTI-PURPOSE PATHWAY

R. Stribbell informed the committee the multi-purpose path at the corner of Main Street and Maple Ave will be reconstructed this summer to accommodate a right turn lane from Main Street turning right onto Maple Ave. Although still in the design phase, staff are anticipating the construction to be complete during the summer to avoid conflicts with youth walking to and from school.

### 5. ACTIVE TRANSPORTATION MASTER PLAN UPDATE

R. Stribbell gave the committee background information on the Active Transportation Master Plan and explained the Committee will be the steering committee for the master plan. Staff are currently reviewing information from the consultant and are still in Phase I of the study. A Public Information Centre (PIC) has tentatively been scheduled for May 1<sup>st</sup> as well as the "Let's Talk Halton Hills" webpage will have all of this information available.

#### 6. GLEN WILLIAMS TRAIL NETWORK

K. Okimi discussed the trail system in Glen Williams, and how staff have worked with the residents there to create a central map identifying all the routes that need to be explored in detail. These trails will be looked at when the Town receives development applications. He asked the committee to endorse the trails in principle.

## RECOMMENDATION NO. AT-2019-0001

THAT the preliminary trail network shown on the Glen Williams Gathering Places, Parks, Trails & Open Space Plan be endorsed in principle for use by staff in reviewing Development applications;

AND FURTHER THAT the Glen Williams Gathering Places, Parks, Trails & Open Space Plan materials be referred to the staff/consultant teams undertaking the Active Transportation Master Plan and Glen Williams Secondary Plan Update, to be incorporated into those studies, including public consultation where appropriate.

**CARRIED** 

## 7. BIRCHWAY PLACE - FAIRY LAKE TRAILS

M. Taylor discussed a pedestrian trail that led from Birchway Place towards Fairy Lake and options to make this a more formalized trail for residents on Birchway Place to access these trails. He presented a couple of different options for the committee to review. Looking at possible connections for future trail expansions, the committee made the following recommendation.

### RECOMMENDATION NO. AT-2019-0002

That staff undertake consultation with the local neighbourhood on the three options presented;

AND FURTHER THAT the public input received be incorporated into the Active Transportation Master Plan study;

AND FURTHER THAT any agreement with the Acton Seniors be referred to Community and Corporate Affairs Committee for review.

**CARRIED** 

## 8. TRAILS CAPITAL UPDATE

M. Taylor updated the committee with the various trails moving into the construction phase in 2019. The Maple Creek Parkette trail leading into Hungry Hollow has received approval from Council with funding for studies and construction. Studies are being carried out right now and staff are anticipating the construction to begin in the fall. The trail will consist of limestone screening, a bridge and boardwalk.

The trail connection from Westbranch Drive into Hungry Hollow is still on hold as a result of staff still waiting for approval from the Ministry of Natural Resources. Staff are working with a consultant to see how to get the permit process moving forward. Funds have been set aside to construct the trail once the approvals and permits are in place.

There is a new small trail connection to be located from Standish Street park to 8<sup>th</sup> Line. This has been an informal trail for years, however will be formalized with a proposed boardwalk connection. It is in Conservation Halton's jurisdiction and staff are currently working on the permit application. They are hoping for the permit approval this summer, out for tender and eventually construction this fall.

J. Fogal suggested the committee start promoting trails and suggested trail maps identifying access points. The committee would like to see the whole overall plan of all trails in Halton Hills and asked staff to bring it to a future meeting.

### 9. HALTON HILLS BIKE SUMMIT

J. Fogal provided a brief update on the Bike Summit which was held at MoldMaster's Arena on March 6<sup>th</sup>. A lot of good information to help improve cycling and infrastructure came from the event and a report has been prepared with all of the information which will be circulated to the committee once approved by the Bike It committee.

## 10. RESULTS FROM LET'S TALK HALTON HILLS

J. Fogal shared the results from "Let's Talk Halton Hills" on the Town's website. We received good feedback with people stating which roads they would like to see better infrastructure on, making more north-south and east-west connections; and overall more investment into infrastructure.

## 11. APPROVAL OF MINUTES FROM THE BIKE IT COMMITTEE MEETINGS

## RECOMMENDATON NO. AT-2019-0003

That the following minutes of the Bike It Committee be received:

## **OFFICIAL PLAN AMENDMENT NO 34**

## TO THE OFFICIAL PLAN FOR THE TOWN OF HALTON HILLS

**PART A** THE PREAMBLE does not constitute part of the Amendment.

**PART B THE AMENDMENT**, consisting of the following text, constitutes Amendment No 34 to the Official Plan for the Town of Halton Hills.

## AMENDMENT NO 34 TO THE OFFICIAL PLAN OF THE TOWN OF HALTON HILLS

The attached text constitutes Amendment No. 34 to the Official Plan of the Town of Halton Hills, which was adopted by the Council of the Town of Halton Hills in accordance with the provisions of the Planning Act, 1990. R.S.O., c. P.13, as amended;

THE CORPORATION OF THE TOWN OF HALTON HILLS

MAYOR – R. Bonnette	CLERK – S. Jones

## PART A - THE PREAMBLE

## PURPOSE OF THE AMENDMENT

The purpose of this Amendment is to implement the recommendations of the Glen Williams Mature Neighbourhood Study. This amendment addresses policies related to new housing, replacement housing, additions, alterations, and new or enlarged accessory buildings in the mature neighbourhoods of the Hamlet of Glen Williams.

## LOCATION AND SITE DESCRIPTION

The lands affected by this Amendment generally include certain lands within the Hamlet of Glen Williams, designated and zoned to permit single-detached dwellings. In particular, new policies specific to Mature Neighbourhood Areas, as delineated in the Comprehensive Zoning By-law 2010-0050, apply only to those areas within the Hamlet Community Core (HCC), Hamlet Residential 1(HR1) and Hamlet Residential 2 (HR2) Zones, only within the Hamlet of Glen Williams.

## **BASIS OF THE AMENDMENT**

In November 2017, Council approved a Terms of Reference for a Mature Neighbourhood Character Study for the Hamlet of Glen Williams, and enacted an Interim Control By-law to restrict the size/scale of large scale residential rebuilds within defined areas of Glen Williams while the study was being undertaken.

The objectives of the study included:

- To define and establish boundaries for the mature neighbourhoods of Glen Williams;
- To identify and evaluate the unique qualities and characteristics of these areas, and key issues regarding large-scale residential rebuilds that are of concern to Glen residents;
- To develop options to maintain and enhance the distinct character of the mature neighbourhoods of Glen Williams;
- To develop and propose amendments to the Town's Comprehensive Zoning Bylaw, as necessary, which define and manage large-scale residential rebuilds in the Hamlet's mature neighbourhoods.

A three-phase study, guided by a Steering Committee comprised of Town Councillors, Glen Williams Community Association and Glen residents, was completed involving a walking tour, two public workshops and an open house/statutory public meeting.

The outcome of this process was a Recommendation Report which recommended changes to the Town Official Plan (Glen Williams Secondary Plan) and the Comprehensive Zoning By-law. This Official Plan Amendment is accompanied by an Amendment to the Comprehensive Zoning By-law, which together implement the recommendations of the Study.

## **PART B – THE AMENDMENT**

All of this part of the document entitled Part B – The Amendment, consisting of the following text, constitutes Amendment No. 34 to the Official Plan for the Town of Halton Hills.

### **DETAILS OF THE AMENDMENT**

The Official Plan for the Town of Halton Hills is amended as follows:

- That Section H4 (Hamlet of Glen Williams Secondary Plan) of the Official Plan for the Town of Halton Hills is hereby amended by adding an objective to Section H4.2 – Objectives as follows:
  - "I) To maintain and enhance the character of Mature Neighbourhood Areas by ensuring that new housing, replacement housing, additions, alterations, and new or enlarged accessory buildings, are compatible, context sensitive, and respectful of the existing character of the neighbourhood."
- 2. That Section H4 (Hamlet of Glen Williams Secondary Plan) of the Official Plan for the Town of Halton Hills is hereby amended by adding a new sub-section to Section H4.3 General Policies as follows:

## "H4.3.13 Change in Mature Neighbourhoods

Mature Neighbourhood Areas are those areas of Glen Williams characterized by older established residential development, either on smaller lots in the historic core, or on larger lots but with a distinct character in other older areas of the hamlet. These areas are delineated in the Zoning By-law.

New housing, replacement housing, additions, and alterations, and new or enlarged accessory buildings within Mature Neighbourhood Areas shall be permitted provided they are compatible, context sensitive, and respectful of the existing character of the neighbourhood.

The implementing Zoning By-law shall further detail appropriate standards for new housing, replacement housing, additions, and alterations to housing within Mature Neighbourhood Areas, including lot coverage, building height, and side yard setbacks amongst other standards.

Minor variances from the implementing Zoning By-law associated with new housing, replacement housing, additions, alterations, and new or enlarged accessory buildings, in Mature Neighbourhood Areas shall consider, where applicable:

- a) compatibility with existing building orientation and building setbacks;
- b) that the scale, massing, building height, and built form features are compatible with the existing character of the neighbourhood;
- c) the preservation of landscaped open space areas and the protection of existing trees; and,
- d) that impacts on adjacent properties are minimized."
