REASONS FOR DESIGNATION

Description of Property

The Wheeler Store and Residence are located at 12428 Kirkpatrick Lane (PT LT 23, CON 5 ESQ, AS IN 610188) in the Town of Halton Hills.

The property at 12428 Kirkpatrick Lane is an irregularly shaped parcel located in the community of Limehouse in the Town of Halton Hills. The structure identified on the property, the Wheeler Store and Residence, is located directly adjacent to the roadway and built within a hill on the southwest side of Kirkpatrick Lane to the northwest of the railway corridor. A one-storey addition is constructed at the rear of the existing building and a one-storey garage is located at the north elevation.

Statement of Cultural Heritage Value or Interest

The house on the property at 12428 Kirkpatrick Lane has limited physical design value as a vernacular commercial building adapted for residential use, however has been subject to unsympathetic alterations over time. The property is significant for its association with the Wheeler family, specifically John and Leonora Wheeler, who ran the local general store here and who were esteemed members of the community. The house is valued contextually as an early structure within the community of Limehouse and supports the character of the surrounding area in its original location.

Heritage Attributes:

- The setback, placement, and orientation of the nineteenth century building on the south side of Kirkpatrick Lane in the community of Limehouse;
- The scale, form, and massing of the 1860s vernacular building with gable roof and chimney on the south elevation; and,
- The cold room built into the hill at the south elevation.

The garage addition, one-storey rear addition above the cold room, and enclosed porch have not been identified as heritage attributes of the property.
