Re: Remington Homes – Remington Georgetown Inc.
- By-Law No.2021-0037

The above captioned Part Lot Control exemption by-law expires August 30, 2022. I am requesting an extension of 1 year to the by-law, as it pertains to the following Semi lots:

1. 128R/L	20R-21994 Parts 7 and 8	Pin # 25050-2823
2. 133R/L	20R-21995 Parts 1 and 2	Pin # 25050-2828
3. 134R/L	20R-21995 Parts 3 and 4	Pin # 25050-2829
4. 137R/L	20R-21995 Parts 9 and 10	Pin # 25050-2832
5. 138R/L	20R-21995 Parts 11 and 12	Pin # 25050-2833
6. 109R/L	20R-21996 Parts 7 and 8	Pin # 25050-2804

This extension is necessary due to the numerous construction delays caused by the Pandemic, Trade strikes and Supply Chain delays and shortages. Increasingly, closings are being delayed by the purchasers' inability to secure financing at the current, substantially higher Mortgage rates.
