COMMITTEE OF ADJUSTMENT MINUTES

Minutes of the Committee of Adjustment hearing held on **August 3, 2022**, at 6 p.m. via Zoom.

Members Present: Todd Jenney (Chair), Jane Watson, Lloyd Hillier, Neal Panchuk, Thomas Hill

Staff Present: Ruth Conard, Planner
Tharushe Jayaveer, Planner
Niloo Hodjati, Secretary-Treasurer, Committee of Adjustment & Consent Official

1. CALL TO ORDER

2. DISCLOSURE OF PECUNIARY/CONFLICT OF INTEREST

None.

3. APPLICATIONS HEARD

The order of the listed applications as shown on the agenda was altered.

The Chair's comments about the procedure were as follows:

- Town staff would speak.
- Owner or agent would be given an opportunity to speak.
- Any members of the public would be given an opportunity to speak (owner or agent would have an opportunity to respond, if needed).
- The Committee would then deliberate, ask any questions, and make a decision.
- A decision would be subject to a 20 day appeal period.

b) Minor Variance D13VAR22.027H – Leger

Location: 15 Beaver Street, Town of Halton Hills (Glen Williams), Regional Municipality of Halton

Purpose: Requesting relief from Zoning By-law 2010-0050, as amended,

1. To reduce the exterior side yard setback from the minimum 4.5 m to permit an exterior side yard setback of 0.15 m to the proposed second floor dormers (Beaver Street).
2. To reduce the exterior side yard setback from the minimum 4.5 m to permit an exterior side yard setback of 3.34 m to the one-storey addition (Beaver Street).
3. To reduce the rear yard setback from the minimum 7.5 m to permit a rear yard setback of 2.97 m to the second storey addition.
4. To increase the encroachment of the roof overhang from the maximum 50% of the exterior side yard setback (0.07) to permit a roof overhang encroachment of 100% (0 m from the exterior side lot line).

To accommodate a proposed addition.

Owner(s): Alexandre Leger, **Agent(s):** Ben Vandenberg

The Town Planner noted no staff objections to approval, subject to condition(s). The agent and owner were present to speak to the application.

It was MOVED by Lloyd Hillier, SECONDED, and CARRIED

THAT the application be approved, subject to condition(s).

The Committee considered the requested variance(s) to:

1. Meet the intent and purpose of the Official Plan.
2. Meet the intent and purpose of the Zoning By-law.
3. Be desirable for the appropriate use of the land, building or structure.
4. Be minor in nature.

c) Minor Variance D13VAR22.028H – Montagliani

Location: 34 Main Street North, Town of Halton Hills (Acton), Regional Municipality of Halton

Purpose: Requesting relief from Zoning By-law 2010-0050, as amended,

1. To reduce the front yard setback from the minimum 4.5 m to permit a front yard setback of 1.49 m.
2. To reduce the exterior side yard setback from the minimum 3 m to permit an exterior side yard setbacks of 0.65 m.

To accommodate raising the roof (floor to ceiling height) of an existing semi-detached dwelling.

Owner(s): Jacob Montagliani, **Agent(s):** Michele Starr, Deanlee Management Inc.

The Town Planner noted no staff objections to approval, subject to condition(s). The agent and owner were present to speak to the application.

It was MOVED by Jane Watson, SECONDED, and CARRIED

THAT the application be approved, subject to condition(s).

The Committee considered the requested variance(s) to:

1. Meet the intent and purpose of the Official Plan.
2. Meet the intent and purpose of the Zoning By-law.
3. Be desirable for the appropriate use of the land, building or structure.
4. Be minor in nature.

a) Minor Variance D13VAR22.026H – Mann

Location: 14222 Dublin Line, Town of Halton Hills (Esquesing), Regional Municipality of Halton

Purpose: Requesting relief from Zoning By-law 2010-0050, as amended,

1. To increase the height for an accessory structure from the maximum 5 m to permit a height of 6.8 m (existing workshop).
2. To increase the floor area for an accessory structure from the maximum 80 sq m to permit a floor area of 120 sq m (existing workshop).
3. To increase the floor area for an accessory structure from the maximum 80 sq m to permit a floor area of 98.6 sq m (existing barn to be used for storage).
4. To increase the total floor area for all accessory structures from the maximum 120 sq m to permit a total floor area of 292 sq m.

To accommodate an existing workshop, and an existing barn to be used for storage.

Owner(s): Balwinder Mann & Amandeep Mann, **Agent(s):** Erin Zagar, EZDimensions

The Secretary-Treasurer advised that although the owner or agent are not present, no objections have been received, and the Committee may proceed with a decision if there are no concerns.

The Town Planner noted no staff objections to approval.

It was MOVED by Todd Jenney, SECONDED, and CARRIED

THAT the application be approved.

The Committee considered the requested variance(s) to:

1. Meet the intent and purpose of the Official Plan.

2. Meet the intent and purpose of the Zoning By-law.
3. Be desirable for the appropriate use of the land, building or structure.
4. Be minor in nature.

4. ADJOURNMENT

Adjourned at approximately 6:20 p.m.

Federal Electoral Boundaries Commission for Ontario
PO Box 37018 Southdale
London, Ontario, N6E 3T3

**Re: FEDERAL ELECTORAL DISTRICTS REDISTRIBUTION 2022 –
WELLINGTON-HALTON HILLS**

Dear Members of the Federal Electoral Boundaries Commission for Ontario:

I am writing to you on behalf of the Council of the Town of Halton Hills. Through a Resolution dated September 6th, 2022, Council authorized the Mayor of Halton Hills to submit a letter on behalf of Council for the Town of Halton Hills regarding the Redistribution of Federal Electoral Districts. Please include this letter as part of the official public participation on the proposed redistribution districts and consider Council's concerns as you deliberate on your final report.

The Council of the Town of Halton Hills wishes to express concerns with the creation of two new districts that will divide the geographic area and social fabric of the Town of Halton Hills. The proposed redistribution will create two new districts proposed to be named *Wellington-Halton* and *Georgetown-East Milton* thus dividing the Town from what is currently *Wellington-Halton Hills*.

Council appreciates that the Commission as part of its rationale has considered historical patterns, municipal boundaries and population to achieve voter parity. Council would appreciate a reconsideration of the decisions that have led to proposing dividing the Town of Halton Hills between two districts and no longer including *Halton Hills* in the name of either district. Given the history of the Town of Halton Hills, the proposal for two districts would be especially damaging to the interests of the voting population within the Town. And on balance, this proposal would be more damaging to the voting population than not achieving an exacting measure of voter parity across districts.

1 Halton Hills Drive, Georgetown, ON L7G 5G2

905-873-2600 | 1-877-712-2205 | haltonhills.ca

In 1974, provincial Regionalization created the Town of Halton Hills within Halton Region by amalgamating three historically distinct communities – Acton, Esquesing and Georgetown. Since 1974 extraordinary efforts have been made to bring this mix of urban and rural communities together with a common community vision and shared goals. Over many years, Town Councils and administration, community leaders and associations, Halton Region, and provincial agencies have made progress in creating a common sense of community for the population of the Town of Halton Hills that has led to the betterment of all residents. The proposed new districts would divide the social and geographic fabric of the Town for which so much effort has gone into building over the past forty-eight years. The proposal for two districts will create confusion for local voters that will contribute to cynicism and a lack of participation at the polls.

Given the social and geographical significance attached to maintaining a common district for the Town of Halton Hills, the Council of the Town of Halton Hills requests that the Commission respect the historical patterns of previous electoral boundaries of the Town of Halton Hills and not divide the Town between districts.

I trust this information will be helpful in the deliberations leading to the final report of the Commission. I would be pleased to further discuss this matter with the Commission or its representatives.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Bonnette". The signature is fluid and cursive, with the first name "Rick" being more prominent than the last name "Bonnette".

Halton Hills ON L7G 5G2

Dear Mayor Bonnette:

Premier Ford provided me with a copy of your letter regarding mental health supports for Ontarians. I appreciate the opportunity to respond and share an update on some of our government's initiatives.

While the COVID-19 pandemic has had a significant impact on all Ontarians, the Ministry of Health understands there have been additional difficulties for vulnerable individuals living with mental health and addictions challenges. To help better support Ontarians and ensure continued access to high-quality mental health and addictions services during the pandemic, our government invested \$194 million in emergency funding in 2020-21. This funding supports several initiatives including free Internet-based Cognitive Behavioural Therapy (iCBT), a self-referral program supported by therapists to help clients find the appropriate supports they need. Since May 2020, more than 129,000 Ontarians have accessed iCBT programs such as LifeWorks and MindBeacon to develop skills and strategies toward coping with mental health and addictions.

Our government has been very clear that mental health is a key part of health care. To that end, we are investing \$3.8 billion over 10 years to implement the Roadmap to Wellness, our comprehensive plan to build a modern, connected and high-quality mental health and addictions system centred around the needs of individuals and their families.

Through the Addictions Recovery Fund, our government is also investing an additional \$90 million over three years to expand addictions services and increase access to treatment beds across the province. This funding will improve access to additional types of treatment,

.../2

RECEIVED

- 2 -

such as Indigenous land-based healing services, mobile mental health clinics, and youth wellness hubs.

Once again, thank you for your letter and for your advocacy on behalf of Ontario's most vulnerable. As we look toward the future, our government will continue to collaborate with the mental health and addictions sector, as well as Ontario Health and the Ontario Health Regions, to build a stronger mental health and addictions system that ensures all Ontarians have access to the care they need.

Sincerely,

Sylvia Jones
Deputy Premier and Minister of Health

c: The Honourable Doug Ford, Premier of Ontario
c: Ted Arnott, MPP Wellington–Halton Hills

Dear Mayor Bonnette,

Thank you for your letter bringing attention to the ongoing impacts of the COVID-19 pandemic on the mental health and wellness of Ontarians. I appreciate you taking the time to write and am thankful for the opportunity to respond.

I recognize the significant impact COVID-19 has had, especially for vulnerable populations and those dealing with mental health and addictions challenges. That is why we made one-time emergency investments in 2020-21 of \$194 million to support service continuity among our mental health and addictions service providers. In addition, recognizing the impact the pandemic has had on substance use, we are also investing \$90 million over three years to fund addictions treatment beds across the province as well as improving access to additional types of treatment, such as Indigenous land-based healing services, mobile mental health clinics and youth wellness hubs.

I also recognize that these challenges do not stop as the pandemic subsides. Support is available. Mental health resources are available for adults, children, and youth across Ontario. The easiest way to learn about services is to call or email ConnexOntario at 1-866-531-2600, text 'CONNEX' to 247247, or chat with agents online at www.connexontario.ca. Connex provides free and confidential information to people experiencing problems with mental health, alcohol or drugs, and/or problem gambling and to their families and caregivers. ConnexOntario's system navigator specialists are trained in emergency mental health interventions and answer calls, e-mails or web-chat requests 24 hours a day, seven days a week.

In addition, the Ministry of Health is continuing to support virtual services that provide low-barrier access to mental health and addictions supports, such as Ontario Structured Psychotherapy, an evidence-based, publicly funded, psychotherapy for Ontarians coping with depression, anxiety, and anxiety-related conditions, and Breaking Free Online, a virtual addictions program for Ontarians 16+. More information on these services can be found at ontario.ca/mentalhealth.

The ministry is committed to continuing to work with the mental health and addictions sector, Ontario Health and the Ontario Health Regions, to seek opportunities to support service delivery, ensuring all people in Ontario receive the high-quality care they expect and deserve.

Thank you again for taking the time to write. I hope this information has been helpful.

Sincerely,

Minister Sylvia Jones

The Honourable Doug Ford
Premier of Ontario
Legislative Building
Queen's Park
Toronto, ON M7A 1A1

Dear Premier:

I am writing to you to add my voice to those from the Ontario Big City Mayors group to ask you to advance supports for mental health in aid of those most vulnerable.

The COVID-19 pandemic has been an unprecedented time and taken a severe toll on all, stretching resources across the board. As I know you can appreciate, local municipalities are the grassroots level where we see first-hand the impacts of those affected; residents in our communities managing hardships made all the more severe by the pandemic.

I urge you to invest in programs and existing resources to strengthen our ability to respond and support our most vulnerable residents. I know that our organizations such as the Canadian Mental Health Association are doing their best to meet a growing demand however I know that their ability to serve would only be enhanced through support from your government.

Thank you for your consideration.

Sincerely,

Rick Bonnette

August 19, 2022

The Honourable Steve Clark
Minister of Municipal Affairs and Housing
777 Bay Street
17th Floor
Toronto ON
M7A 2J3

Dear Minister Clark:

Re: Strong Mayors, Building Homes Act

Please be advised that the Council of the Town of Wasaga Beach, during their August 18, 2022 Council meeting adopted the following resolution:

"That Council receive the letter dated August 10, 2022 from the Ministry of Municipal Affairs and Housing pertaining to Strong Mayors, Building Homes Act, for information;

And further that a letter be sent to the Minister of Municipal Affairs and Housing outlining these proposed powers are not appropriate and to outline other ways for the province to institute housing and other matters, and that the motion be circulated to all Ontario municipalities."

The Town of Wasaga Beach Council does not support the Strong Mayors, Building Housing Act as the proposed changes will not demonstratively speed up the construction of housing and will erode the democratic process at the local level where members of Council have to work together to achieve priorities. What is needed to speed up construction of housing is greater authority for local municipalities to approve development without final clearances from outside agencies after they have been given reasonable time to provide such clearances.

Your favourable consideration of this matter is appreciated.

Should you have any questions, please contact me at mayor@wasagabeach.com or (705) 429-3844 Ext. 2222.

Yours sincerely,

Nina Bifulchi
Mayor

August 10, 2022

Dear Head of Council:

As Ontarians face the rising cost of living and a shortage of homes, our government was re-elected with a strong mandate to help more Ontarians find a home that meets their needs.

Our government also made an election promise to build 1.5 million new homes for the people of Ontario over the next 10 years to address the housing supply crisis.

I am pleased to inform you that our government introduced the proposed Strong Mayors, Building Homes Act on August 10, 2022, that, if passed, would make changes to the *Municipal Act, 2001*, *City of Toronto Act, 2006*, and the *Municipal Conflict of Interest Act*. These amendments would empower mayors in the City of Toronto and City of Ottawa to deliver on shared provincial-municipal priorities and get more homes built faster.

If passed, the proposed changes impacting the City of Toronto and City of Ottawa are intended to take effect on November 15, 2022, which is the start of the new municipal council term. Other growing municipalities could follow at a later date.

If you have any comments or feedback regarding these proposed changes, you may submit them to the Ministry of Municipal Affairs and Housing at:
StrongMayors@ontario.ca.

Sincerely,

Steve Clark
Minister
