6. ANNOUNCEMENTS

1. 42nd Annual Terry Fox Run

Councillor J. Hurst announced that on Sunday, September 18th, the 42nd annual Terry Fox Run will once again take place in Acton and Georgetown, as well as at run sites on Ontario, across Canada and worldwide. Unfortunately, due to extenuating circumstances, the Georgetown run will not be a live on-site event but will be virtual, similar to the past two years.

Last year Georgetown raised over \$11,000, bringing their 40-year total to over \$500,000 raised in Terry's name. All Georgetown participants are invited to attend the Acton High School site to complete their run, and all pledge funds handed in will be attributed to Georgetown run site #756.

The Acton event takes place in person at the Acton High School track, 12 Cedar Drive, from 8 a.m. to 3 p.m., and opening ceremonies will begin at 8 a.m. Participants can arrive any time between 8 and 3 to run, jog, walk, wheel or stroll their chosen number of laps around the rubberized track. Wally's food booth will also return, and Terry Fox t-shirts will be available on site to purchase. Last year, the Acton virtual event raised \$21,800, bringing the 41-year grand total to \$911,982 raised for cancer research.

2. Superior Tanker Shuttle Accreditation

Mayor R. Bonnette announced that on June 21st of this year, the Halton Hills Fire Department conducted a simulated test of its ability to shuttle water to a rural emergency. Representatives from the Fire Underwriters Survey were in attendance to monitor the test procedure and validate the results. As a result, the Halton Hills Fire Department has again received the Superior Tanker Shuttle Accreditation which remains valid for a 5-year period.

Successful completion of the test confirms the Halton Hills Fire Department's ability to effectively transport water to fire incident scenes throughout our community. For those residents within 8km of a station, it means at least 900 liter/minute of water can be transported and applied to a fire which in many instances is what's required to effectively bring a typical house fire under control.

This Accreditation clearly demonstrates the fire department's commitment to the continued protection of our community.

3. Rail Safety Week

Mayor R. Bonnette announced that Rail Safety Week will be held in Canada, the United States, and Mexico from September 19-25, 2022. It is in the public's interest to raise citizen's awareness on reducing avoidable accidents, injuries and damage caused by collisions at level crossings or incidents involving trains and citizens. Operation Lifesaver is a public/private partnership whose aim is to work with rail industry, governments, police services, the media and other agencies and the public to raise rail safety awareness.

The Town of Halton Hills supports the ongoing effort to save lives and prevent injuries within communities.

For additional information about Rail Safety Week 2022, please consult cn.ca/railsafety or operationlifesaver.ca.

7. EMERGENCY BUSINESS MATTERS

Councillor M. Johnson commented on her decision to not seek re-election and thanked everyone for supporting her during her time on Council.

Recess at 3:28 p.m.

Reconvene at 3:38 p.m.

Mayor R. Bonnette addressed that the Federal government is looking at restructuring the Federal electoral map. The changes if approved would divide Halton Hills into two separate ridings. The Town has until September 26th to submit any opposition to this change. A resolution was carried, in which the Mayor will send a letter opposing this change on Council's behalf.

15. PETITIONS/COMMUNICATIONS/MOTIONS

1. Need for a Long-term Truck Strategy

Resolution No. 2022-0144

Moved by: Mayor R. Bonnette

Seconded by: Councillor M. Albano

WHEREAS over many years the Town of Halton Hills Council has been concerned about the increasing truck traffic through the downtown areas of the municipality, including the downtown areas of Acton, Georgetown and Norval;

AND WHEREAS it is widely acknowledged that the truck traffic in these downtown areas has serious implications for the social fabric of the community due to the increasing traffic congestion, greenhouse gas emissions and safety concerns that degrade the ability of residents to enjoy their downtown and the success of the business community;

AND WHEREAS it is now likely that aggregate truck traffic from the Hidden Quarry will result in an unacceptable number of trucks driving through downtown Acton;

AND WHEREAS the Provincial Connecting Link for Highway 7 through Acton's downtown already has existing significant physical constraints and safety issues;

AND WHEREAS there is not a plan to address the increasing truck traffic on Provincial Highway 7 through Acton;

AND WHEREAS on September 28, 2017, a Private Member's Resolution tabled by Ted Arnott, MPP Wellington Halton Hills was passed unanimously by the Ontario Legislature that requested that the Minister of Transportation partner with the Town of Halton Hills to develop a long-term transportation strategy for the Town of Halton Hills;

AND WHEREAS the Honourable Caroline Mulroney, Minister of Transportation subsequently responded on September 11, 2019 by indicating the position of the Ministry of Transportation was that a long-term transportation strategy for Highway 7 through the Town of Halton Hills was not a priority;

AND WHEREAS on February 11, 2020 the provincially appointed Local Planning Appeal Tribunal (LPAT) permitted the Hidden Quarry to proceed despite strong objections from residents and area municipalities including the Town of Halton Hills, Guelph Eramosa Township, Town of Milton and Region of Halton, about the serious negative environmental and socio-economic impacts of the proposed quarry, including increased truck traffic through downtown Acton;

THEREFORE BE IT RESOLVED THAT the Town of Halton Hills requests the Honourable Caroline Mulroney, Minister of Transportation to reconsider the Ministry's earlier position and prioritize a long-term transportation solution for truck traffic that is impacting the Town of Halton Hills, by placing it on the Southern Highways Program, the Ministry's five-year investment plan in highway construction for Southern Ontario; and in the short term, partner with the Town of Halton Hills by contributing financially in completing a feasibility study to investigate alternatives to address truck traffic in the long-term, including reviewing the need for an alternative to the connecting link through Acton (Acton by-pass);

AND FURTHER THAT a copy of this report be forwarded to the Honourable Doug Ford, Premier of Ontario, the Honourable Caroline Mulroney, Minister of Transportation, the Honourable Graydon Smith, Minister of Natural Resources and Forestry, the Honourable Ted Arnott – Speaker of the Ontario Legislature and MPP Wellington Halton Hills, Mike Schreiner, Leader of the Ontario Green Party and MMP Guelph, Halton Region, Town of Milton, County of Wellington, Town of Erin, Township of Guelph/Eramosa, Peel Region and City of Brampton.
