**TO:** Mayor Lawlor and Members of Council

**FROM:** Joseph Vandermeer, Deputy Treasurer and Senior Manager of Accounting and Taxation

**DATE:** November 10, 2022

**REPORT NO.:** CORPSERV-2022-0031

**SUBJECT:** 2023 Interim Property Tax Levy

---

### RECOMMENDATION:

THAT Report No. CORPSERV-2022-0031 dated November 10, 2022 regarding the 2023 Interim Property Tax Levy be received;

AND FURTHER THAT a by-law be enacted authorizing Council to provide for an Interim Tax Levy for 2023;

AND FURTHER THAT taxes be due and payable on February 24 and April 26, 2023;

AND FURTHER THAT the payment of taxes for (portions of) properties having a farm designation (FT) as identified by the Municipal Property Assessment Corporation be deferred until September 27, 2023.

### KEY POINTS:

The following are key points for consideration with respect to this report:

- Each year the Town requires revenue to meet financial costs prior to approving the final tax rates.
- To ensure sufficient revenue is generated to meet these obligations, the Town is authorized to levy interim taxes pursuant to Section 317 (1) of the *Municipal Act, 2001*

## **BACKGROUND AND DISCUSSION:**

Under Section 317 (1) of the *Municipal Act, 2001*, S.O. 2001 c.25, as amended (the *Municipal Act, 2001*), municipalities are permitted to pass a by-law levying amounts based on property assessments for local municipal purposes.

The interim levy for the year 2023 be set at 50% of the final taxes levied in 2022. The interim tax amount levied for all new roll numbers, which were not on the assessment roll in the previous year, will be calculated based on 50% of the applicable tax rate for the previous year, multiplied by the assessment of the current year.

The Interim by-law provides for the levy of interim taxes as authorized by Section 317 of the *Municipal Act, 2001*. Due to the limited time available between receiving the year-end final tax roll and the legislative timing of mailing tax bills to property owners, rate schedules are not included with the interim by-law.

The interim taxes will be due in two installments, except for properties registered for the ten (10) payment pre-authorized tax payment plan, which offers five installments from January to May of 2023. These installments were included in the 2022 Final Tax Rate By-law.

The Interim by-law also sets the 2022 interest and penalty rate at 1.25% per month which is the maximum rate permitted under the *Municipal Act, 2001*.

## **STRATEGIC PLAN ALIGNMENT:**

This report is administrative in nature and does not have an impact on the Town's Strategic Plan.

## **RELATIONSHIP TO CLIMATE CHANGE:**

This report is administrative in nature and does not directly impact or address climate change and the Town's Net Zero target.

## **PUBLIC ENGAGEMENT:**

Public Engagement was not needed as this report is administrative in nature.

## **INTERNAL CONSULTATION:**

Internal Consultation was not required for this report.

**FINANCIAL IMPLICATIONS:**

The interim property tax levy by-law permits the Town to collect property-related taxes prior to the setting of the final tax rates in May. This is done for the Town's own purposes as well as on behalf of Halton Region, the four school boards, and the Acton and Georgetown BIAs. Interim taxes provide funds for all these organizations earlier in the fiscal year to administer their respective projects, programs, facilities, and services. This also allows property owners to spread out the payment of property taxes over most of the year.
