## **PART A – THE PREAMBLE**

### **PURPOSE OF THE AMENDMENT**

This Amendment is intended to facilitate the development of an 88-unit adult lifestyle community on the lands municipally known as 15651 10 Side Road within the Georgetown Urban Area of the Town of Halton Hills. The adult lifestyle community would be comprised of 46 single-detached bungalow, 21 bungalow townhouse and 21 rear lane townhouse dwellings.

The subject property is designated Low Density Residential Area and is subject to Residential Special Policy Area 6. The Low Density Residential Area designation allows for residential uses at a maximum density of 20 units per net residential hectare and height of 3 storeys. Special Policy Area 6 states that the development of single and semi-detached dwellings or other forms of horizontal multiple dwellings suitable for seniors housing or any combination of these dwelling types may be permitted within a condominium development on the subject lands.

The Amendment modifies the language of Residential Special Policy Area 6 to increase the density permissions for the underlying Low Density Residential Area designation to 25 units per net residential hectare.

### **LOCATION AND SITE DESCRIPTION**

The subject lands are municipally known as 15651 10 Side Road in the Georgetown Urban Area and located at the north-east corner of 10 Side Road and Hartwell Road, west of Tenth Line. The lot has an area of approximately 3.54 hectares (8.75 acres) with frontage of approximately 258.8 metres (849.08 ft.) on 10 Side Road and 63.3 metres (207.68 ft.) flanking Hartwell Road.

Surrounding lands uses to the subject site include:

- |               |   |
|---------------|---|
| To the North: | Built and under construction single detached homes, a future elementary school block and Maple Creek Park.                        |
| To the East:  | Under construction single detached, semi-detached and townhouse dwellings, and the Southeast Georgetown lands east of Tenth Line. |
| To the South: | Stormwater management ponds and agricultural lands.   |
| To the West:  | Beyond Hartwell Road are single detached dwellings and a stormwater management pond.  |

### **BASIS FOR THE AMENDMENT**

The following planning and land use considerations have been identified and are considered appropriate to allow for the increase in density from 20 to 25 units per net residential hectare within Residential Special Policy Area 6:

1. The proposal is consistent with the Provincial Policy Statement and conforms to the Provincial Growth Plan and Region of Halton Official Plan;
2. The proposal satisfies the goals, objectives and policies of the Town of Halton Hills Official Plan relating to providing appropriate growth, that increases the housing options available in the community;
3. The proposal achieves the intent of the Low Density Residential Area and Residential Special Policy Area 6, by providing an adult lifestyle community consisting of 46 single detached bungalow, 21 bungalow townhouse and 21 rear lane townhouse dwellings;
4. The proposal provides residential growth in proximity to commercial uses, thereby promoting active transportation and adding to the mix of land uses in the community; and,

5. Council is satisfied that the conceptual site plan submitted demonstrates that the site can be developed in accordance with the objectives for Residential Special Policy Area 6 by demonstrating a street and block layout that provides for an attractive appearance from 10 Side Road, integrates appropriately into the adjacent and surrounding neighbourhood and can properly function from a transportation perspective.
