Which section(s) of the Fence By-law are you seeking relief from?

Wood screen 8 foot by 4 foot w. - height in question
The privacy screen is attached to a 4 foot chain
link fence that I had installed 20+ years ago. It is
attached on my side of the chain link fence.
All communications will be sent to the agent, if applicable, unless otherwise requested.

What is the nature and extent of relief that you are seeking?

To allow the screen to be left as is. It was installed
3 years ago for privacy from a neighbour who
consistently watches from her windows to my bedroom
and living room.

Why is it not possible to comply with the provisions of the Fence By-law?

It would leave my privacy lost to the neighbors who had trimmed the cedar hedges in that area to allow her full view of my home rooms.
This is at a side boundary between the two houses.
