OFFICIAL PLAN AMENDMENT No. 53

TO THE OFFICIAL PLAN FOR THE TOWN OF HALTON HILLS

PART A: THE PREAMBLE does not constitute part of this Amendment

<u>PART B:</u> THE AMENDMENT consisting of the following Schedule and text constitutes Amendment No. 53 to the Official Plan for the Town of Halton Hills.

AMENDMENT NO. 53 TO THE OFFICIAL PLAN OF THE TOWN OF HALTON HILLS

The attached text and schedule constitute Amendment No. 53 to the Official Plan of the Town of Halton Hills, which was adopted by the Council of the Town of Halton Hills by By-law 2023-00XX in accordance with the provisions of the Planning Act, R.S.O. 1990, c.P.13, as amended;

THE CORPORATION OF THE TOWN OF HALTON HILLS

TOWN CLERK – VALERIE PETRYNIAK

MAYOR – ANN LAWLOR

PART A - THE PREAMBLE

PURPOSE OF THE AMENDMENT

This Amendment is intended to facilitate the development of four street townhouse dwellings, a multiple dwellings (double duplex) building containing four units and a single detached dwelling on lands municipally known as 59 & 61 King Street within the Georgetown Urban Area of the Town of Halton Hills. The subject lands are currently designated Low Density Residential Area in the Town of Halton Hills Official Plan.

The approved policies for the Low Density Residential Area allow single detached, semi-detached and duplex dwellings at a density not exceeding 20 units per hectare. The proposed development would result in a multi-residential development with a density of which is calculated at 47.3 units per hectare.

The Amendment changes the Official Plan designation on these lands from Low Density Residential Area to Medium Density Residential Area.

LOCATION AND SITE DESCRIPTION

The subject lands are municipally known as 59 & 61 King Street in the Georgetown Urban Area. The 0.15 ha (0.37 ac) lot is rectangular in shape with 38 metres of frontage on King Street and 40 metres of flankage on Elgin Street. The subject lands currently contain single detached dwellings.

Surrounding land uses to the subject property include:

To the North: Furnace Room Brewery, CN rail tracks and a proposed

high density residential development further north (1 Rosetta Street

and 6 & 8 Saint Michaels Street)

To the East: Single detached dwellings and Greenwood cemetery further east

To the South: Single detached dwellings

To the West: Single detached dwellings and the Georgetown GO Station

BASIS FOR THE AMENDMENT

The following planning and land use considerations have been identified and are considered appropriate to provide for the change from Low Density Residential Area to Medium Density Residential Area:

- 1. The proposed medium density development is within close proximity of the Georgetown GO Station and conforms to Provincial Policy which encourages intensification adjacent to major transit stations;
- 2. The proposed development reinforces the streetscape edge, references the character of and provides interpretation for Edward McWhirter who purchased the property at 59 King Street in 1898;
- 3. The submitted Site Plan drawing demonstrates that the site can be developed with adequate on-site parking, a private road and private amenity areas;
- 4. Council is satisfied that the proposed development fulfills the criteria set out in Section D1.4.4 (New Medium and High Density Residential Areas) of the Official Plan.

PART B - THE AMENDMENT

All of this part of the document consisting of the following Schedule and text constitutes Amendment No. 53 to the Official Plan for the Town of Halton Hills.

The Official Plan for the Town of Halton Hills is amended as follows:
