REPORT

TO: Mayor Lawlor and Members of Council

FROM: Laura Loney, Manager of Heritage Planning

DATE: January 19, 2024

REPORT NO.: PD-2024-005

SUBJECT: Intention to Designate under Part IV, Section 29 of the Ontario Heritage Act – 50-52 Main St S

RECOMMENDATION:

THAT Report No. PD-2024-005 dated January 19, 2024 and titled “Intention to Designate under Part IV, Section 29 of the Ontario Heritage Act – 50-52 Main St S” be received;

AND FURTHER THAT Council state its intention to designate the property at 50-52 Main Street South, known as the McKinlay Dentistry Building, legally described as “PT LT 1, PL 51, AS IN 184361 (SECONDLY); HALTON HILLS”, under Part IV, Section 29 of the Ontario Heritage Act as recommended by Heritage Halton Hills;

AND FURTHER THAT the Town Clerk proceed with serving a Notice of Intention to Designate as mandated by Section 29(3) of the Ontario Heritage Act;

AND FURTHER THAT once the 30-day objection period has expired, and if there are no objections, a designation by-law for the property at 50-52 Main Street South be brought forward to Council for adoption.

KEY POINTS:

The following are key points for consideration with respect to this report:

- The property at 50-52 Main Street South meets Ontario Regulation 9/06 criteria for designation under Part IV of the *Ontario Heritage Act*; and,
- Staff are recommending that Council state its intention to designate the property.

BACKGROUND AND DISCUSSION:

The subject property is located at 50-52 Main Street South, Georgetown. The property is a rectangular-shaped parcel located along the southwest side of Main Street South in Georgetown in the Town of Halton Hills. The existing two-storey commercial building occupies almost all of the existing property with a small reveal at the rear corner and carport with above balcony and addition the rear with a paved asphalt driveway. The property was listed on the Town's Heritage Register during Phase 1 of the Town's Heritage Register process (2010) and was identified as a typical commercial building in downtown Georgetown built by the dental surgeon who used the building for his practice and home.

The property at 50-52 Main Street South has been researched and evaluated by staff as part of the Town's Council-approved Heritage Register prioritization strategy to respond to *Bill 23, More Homes, Built Faster Act, 2022*¹.

In August 2023, the current property owner was notified of the Town's ongoing Heritage Strategy via mail. On August 7, 2023, staff received an email on behalf of the property owner that they were not supportive of designation and that they would like to be removed from the Heritage Register. Staff noted this request and outlined the steps required to remove a property from the Heritage Register prior to January 1, 2025. Staff also identified that, should the property be brought forward for designation, they would be notified throughout the process.

On October 25, 2023, the current property owners were provided via courier a designation information package with covering letter from staff, identifying that this work was being undertaken and encouraging them to contact staff to discuss further. Staff also sent a further letter on January 3, 2024 notifying the owners that the Research and Evaluation Report for the property would be reviewed at the January 17, 2024 meeting of Heritage Halton Hills. The owner of the subject property has not contacted staff again as of the finalization of this report.

Heritage Halton Hills reviewed the final Research & Evaluation Report for the property at its meeting of January 17, 2024, and the following motion was carried:

Recommendation No. HERITAGE-2024-0003

THAT Heritage Halton Hills recommend Council issue a Notice of Intention to Designate for the property at 50-52 Main Street South (Georgetown) for designation under the *Ontario Heritage Act*.

The property has been identified as having physical and design value as a representative example of a vernacular commercial building within downtown Georgetown, associated with Georgetown's earliest dentists Archie and Charles McKinlay, as well as later owners Leroy Dale, Sybil Bennett, and Richard (Dick) Licata, and is a contextually significant property.

¹ Bill 23 stipulates that municipalities have a two-year window to determine whether properties on the Heritage Register warrant designation under the Ontario Heritage Act. If not so designated after two years, properties must be removed from the Heritage Register.

As described in the Research & Evaluation Report, the identified heritage attributes of the property include:

- The setback, placement, and orientation of the two-storey, late-19th century commercial building within a commercial row in historic downtown Georgetown;
- The scale, form, and massing of the two-storey building;
- The materials, including red brick exterior and architectural detailing, stone detailing, and rubble stone foundation;
- The front elevation at the second storey, divided into two bays;
- The stone course above the first and second storeys;
- The extant flat-headed window openings at the second storey on the front and side elevations between the stone courses; and,
- The single entrance door at the first storey on the side elevation with stone lintel.

The rear elevation and interiors have not been identified as heritage attributes as part of this report.

Based on the identified cultural heritage value of the property, and as the property meets criteria for designation per Ontario Regulation 9/06 criteria, staff are recommending that Council designate the property under Part IV of the *Ontario Heritage Act*.
