Town of Halton Hills
Clerks Department
1 Halton Hills Drive
Halton Hills, ON, L7G 5G2

Dear Valerie Petryniak,

Re: Notice of Intent to Demolish - 9259 Fifth Line, Esquesing Township, Halton Hills

We are the owners (care of “Anatolia Investments Corp.”) of the property municipally addressed as 9259 Fifth Line in the former geographic Township of Esquesing, now in the Town of Halton Hills (“subject site”). We are writing to inform Council of our intent to demolish some of the structures on the subject site, including the old farmhouse, which is currently listed on the Town's Heritage Register (the “Register”).

We are aware of the property's listing and the need for approval from Town Municipal Council for the demolition. This notice is made in accordance with Section 27(9) of the *Ontario Heritage Act*.

In support of this request, we have enclosed the necessary application and supporting materials including a Cultural heritage Evaluation Report (“CHER”) prepared by our heritage consultant, The Biglieri Group Ltd. (“TBG”). TBG's CHER found that the subject site does not meet the required criteria for designation, resulting in their recommendation for removal of the subject site from the Register.

Please feel free to contact us for any additional information or clarification.

Sincerely,

Anatolia Investments Corp
