

Appendix A - Transportation List

Item #	Date Received	Ward	Category	Traffic/ Transportation Concern	Actions Taken	Recommendation	Date Completed
1	05/02/18	1	Speeding	Councillor Albano has identified concerns raised by a resident with regards to the heavy truck cut-through and speeding issues.	On May 11, 2018 staff contacted the resident and organized an onsite meeting on May 16, 2018.	Following the onsite meeting, staff will provide further comments.	Ongoing
2	04/10/18	1	Road Safety	Councillor Somerville requested an onsite meeting to discuss road safety improvements on Third Line and Glen Lawson Road between Churchill Rd. S. and Fourth Line.	On April 30, 2018 Ward 1 Councillors, Councillor Fogal, the Glen Lawson EA consultant (Cole Engineering) and staff met onsite to discuss potential road improvements.	Cole Engineering will prepare the cost estimate of the proposed road improvements that will be included in the 2019 Capital Budget and Business Plan.	Ongoing
3	04/23/18	4	Road Safety	Councillor Lawlor has identified concerns raised by a resident with regards to the street safety concerns on Chetholme Place.	On May 3, 2018 staff recorder a phone message for the resident to further discuss the safety concerns.	No further actions are recommended.	05/15/18
4	04/11/18	3	Speeding	Councillor Kentner identified concerns raised by residents with regards to the speeding issues on John Street between Victoria Street and Mountainview Road North.	On April 4, 2018, staff conducted speed studies on John Street to quantify the vehicle operating speeds. On April 30, 2018, Mayor, Ward 3 Councillors and staff met with the John Street residents to discuss the speed study results and the next steps.	Due to the high operating speeds (69 km/h) on John Street, this spring and summer staff will undertake a number of traffic safety improvements to slow down the vehicular traffic.	Ongoing
5	11/27/17	1	Speeding	Councillor Hurst has identified resident's concerns with speeding on Guelph Street West (Hwy 7).	The Vehicle Activated Traffic Calming sign was ordered for the Highway 7/Lakeview Avenue location. The sign installation is expected in spring/summer 2018.	Staff is in the process of acquiring an Encroachment Permit from MTO to install a Vehicle Activated Traffic Calming Sign in spring 2018. Staff will also discuss with MTO the use of oversize speed signs on Guelph Street W. (Hwy 7).	Ongoing
6	12/04/17	3 & 4	Traffic Control Signals	Councillor Fogal has identified resident's concerns with the pedestrian signals not being displayed concurrently with traffic signal displays.	On December 22, 2017, staff sent a response to the resident with regards to the traffic signal operations.	Staff will undertake a pilot project at the Main/Mill traffic signal in Georgetown and update the Committee in fall 2018.	Ongoing
7	09/28/17	1	Pedestrian Safety	Councillor Somerville has identified concerns raised by a resident with regard to the proposed bus service cancellation from/to Robert Little Public School, along the resident's bus route.	HDSB and HSTS both reviewed the resident's concerns. The route to school was deemed safe and a reasonable distance from the school	No further actions are recommended.	05/15/18

Appendix A - Transportation List

Item #	Date Received	Ward	Category	Traffic/ Transportation Concern	Actions Taken	Recommendation	Date Completed
8	10/29/17	2	Speeding	Councillor Somerville has identified concerns raised by a resident with regard speeding on Wellington Road 42/32 Side Road (Boundary Road).	At the January 15 Council meeting, a Citizen Petition was submitted to reduce the posted speed limit to 60 km/h on 32 Side Road from Winston Churchill Blvd. (Reg. Rd. 19) to Regional Road 25.	In September 2018, staff will undertake an operational review of 32 Side Road between Third Line and Trafalgar Road.	Ongoing
9	09/13/17	2	Road Safety	Mayor, Ward 2 Councillors and staff met with Norval residents on September 13, 2017 to discuss transportation issues.	On November 28, 2017, staff have completed the signage improvements on Green Street and King Street.	In 2018, staff engaged with other road authorities to discuss the transportation issues in the Hamlet. Peel/Halton Region will be leading the required traffic studies and providing an update in the future.	Ongoing
10	08/14/17	1	Speeding/Sight line concerns	Councillor Hurst has identified a number of traffic concerns with speeding on Church Street East and sight line concerns on Bower Street.	In June 2018, staff will engage the Church Street East residents to review their support for traffic calming.	In spring/summer 2018, staff will evaluate Church Street East between Elgin Street South and Frederick Street South with regard to the traffic calming.	Ongoing
11	05/05/17	2	Road Safety	Councillor Brown has identified resident's concerns with River Drive's road safety.	Staff have reviewed the Motor Vehicle Collision history of the intersection and undertook onsite review.	Additional traffic operation studies will be scheduled in fall 2018 at the River Drive and Tenth Line intersection. Currently, River Drive bridge is under construction.	Ongoing
12	09/28/15	4	Intersection Safety	Guelph St. (Hwy 7) @ Hall Road/MacFarlane Drive intersection safety issues were identified.	Staff informed the Menkes developer to proceed with the update to the Traffic Impact Study. A turning movement count to be undertaken in April or May, 2018. On May 15, 2018, staff sent a second reminder to the developer.	The resident has requested an onsite meeting with Councillor Inglis and staff to further discuss the issues in early 2018.	Ongoing
