 - c) vary or reduce any Planning & Development fee in accordance with the provisions of this By-law.
 3. The following rules apply to the reduction of Planning & Development fees:
 - a) The Commissioner of Planning & Development may, in the interest of economic development, reduce any Planning & Development fees up to 50% (fifty percent) for:

 - b) The Commissioner of Planning & Development shall reduce any Planning & Development fees by 50% (fifty percent) for:

NOTES:

1. Payment of Fees: All fees shall be paid at the time the application or request is made, unless otherwise noted, as determined by the Commissioner of Planning & Development.
2. Combined Application Fees: Alternate combined application fee calculations may be applied by the Commissioner of Planning & Development, where deemed appropriate, based on the scale of the development project. Examples of alternate combined fee calculations may include:
 - Where a Subdivision (SUB) application is filed concurrently with an Official Plan Amendment (OPA) and/or Zoning By-law Amendment (ZBA) application, but the SUB is secondary to the approvals sought through the OPA and/or ZBA, the fee will be calculated based upon the OPA and/or ZBA being the primary applications and only the SUB Base Fee will be required.
 - Where Official Plan Amendment (OPA) and Zoning By-law Amendment (ZBA) applications are filed concurrently, but the OPA is seeking modest amendments to the Official Plan or is secondary to the approvals sought through the ZBA, the fee will be calculated based upon the ZBA being the primary application and only the OPA Base Fee will be required.
3. Variable Fees: The Variable Fee Per Residential Unit shall be applied to any dwelling unit. For residential uses that propose other types of units not defined as “dwelling units” under the applicable Zoning By-law (e.g. residential care facility suites or rooms), the Variable Fee Per Residential Unit shall still apply.

For each Variable Fee the appropriate rate shall apply to each range of dwelling units or non-residential hectare/sq.m. of GFA (eg. \$550 for each unit between 0-25; \$300 for each unit between 26-100, etc.)

4. Minor and/or Technical Fee: The Commissioner of Planning & Development may apply the Minor and/or Technical Fee to any Official Plan Amendment (OPA), Zoning By-law Amendment (ZBA), Subdivision (SUB) or Site Plan (SPA) applications where cost savings are identified due to:
 - consolidated application processing not currently identified in this By-law;
 - no technical studies are required to be submitted; and/or
 - other circumstances that could result in reduced staff effort in processing an application.

Applicants must attend a pre-consultation meeting with Town staff and/or must prove that the processing cost of a complete application for Town staff will be significantly less than that required to process a Standard application.

5. Official Plan Amendment Urban Boundary Expansion: The fee for an Official Plan Amendment (OPA) seeking to expand the Town of Halton Hills Urban Boundary shall include any peer review consultant costs to review materials submitted in support of the application when the proposal is for 50 hectares or less. Any Official Plan Amendment application for lands greater than 50 hectares may require additional fees to cover any peer review consultant costs.
6. Administrative Zoning By-law Amendment Fee: The Administrative Zoning By-law Amendment (ZBA) fee shall be applied, where deemed appropriate by the Commissioner of Planning & Development, in circumstances where no land use change is being proposed but a Minor Variance (MV) application is not considered the appropriate process to consider the proposal.
7. Holding Removal Fees: Major, Standard and Minor Holding Removal Application Fees are distinguished by the scale of the development project and/or the complexity of the conditions of the Holding Provision that must be satisfied, as determined by the Commissioner of Planning & Development.

Special Holding Removal Application Fees apply where the Town Official Plan Policies require the implementation of a development control (ie. floodplain areas), as determined by the Commissioner of Planning & Development.
8. Site Plan Standard vs. Secondary Fees: The Secondary Site Plan (SPA) Fee applies to a Site Plan application filed:
 - concurrently with Official Plan Amendment (OPA) and/or Zoning By-law Amendment (ZBA) applications;
 - within 1 year of the date of a development project having obtained approval for an Official Plan Amendment (OPA) and/or Zoning By-law Amendment (ZBA); or
 - Commercial or retail uses under 2,500 m² located outside of the Premier Gateway Employment Area.

The Standard Site Plan (SPA) Fee applies to all other Site Plan applications where the primary review of the development proposal occurs through the Site Plan Control process.

9. Subdivision Administrative Fee: The Administrative Subdivision (SUB) Fee applies where the Subdivision application is required to enable the creation of lots or dwelling units through other applications such as Condominium or Part Lot Control.
10. Condominium Final Approval Secondary Fee: The Secondary Condominium (CDM) Final Approval Fee applies where the Condominium application is secondary to other planning applications, and therefore less work is required to finalize the condominium approval, as determined by the Commissioner of Planning & Development.
11. Peer Review: The Town of Halton Hills may require the review of reports, drawings or other materials relating to an application by an outside peer review consultant. The Applicant will be responsible for the payment of any fees required to complete the peer review, as determined by the Commissioner of Planning & Development.
12. Legal Fees: Additional legal fees, where required, will be borne by the Applicant unless otherwise specified.
13. Administration Fee: The Administration Fee (Other Fees Section) is calculated annually on files that have been inactive over the preceding 12 months. Application activity is defined as the exchange of documentation such as required plans and/or studies that address and satisfy municipal standards and review comments for the purposes of advancing an application to a decision point or approval. Failure to submit the applicable Administration Fee within 30 days of written notice may result in the closure of the application, as determined by the Commissioner of Planning & Development.
14. Refund Policy: Refunds for withdrawn applications are at the discretion of the Commissioner of Planning & Development. All requests for refunds must be made in writing to the Commissioner of Planning & Development. Refund requests will be evaluated on the following criteria:
 - Withdrawal of an application prior to circulation to commenting departments and agencies;
 - Withdrawal of an application during or after circulation but prior to any statutory public meeting, preparation of staff reports or drafting of agreements or by-law; and
 - Where an application is appealed to the Ontario Land Tribunal (OLT), at any point in the application process, no refund of fees shall be provided.
