REPORT

TO: Mayor Lawlor and Members of Council

FROM: Michelle Mathies, Project Manager, Municipal Infrastructure

DATE: June 16, 2025

REPORT NO.: TPW-2025-011

SUBJECT: Award of 2025-010-T Rehabilitation of Bridge #30 and #31,
Ontario Street and Ann Street

RECOMMENDATION:

THAT Report No. TPW-2025-011, dated June 16, 2025, regarding the Award of 2025-010-T Rehabilitation of Bridge #30 and #31, Ontario Street and Ann Street be received;

AND FURTHER THAT 2585284 Ontario Inc. o/a Beton be awarded 2025-010-T Rehabilitation of Bridge #30 and #31, Ontario Street and Ann Street, at a total amount of \$1,382,369.00 plus applicable taxes;

AND FURTHER THAT the Manager of Purchasing be authorized to issue a Purchase Order to Gannett Fleming. in the amount of \$87,700.00 plus applicable taxes;

AND FURTHER THAT Council authorize the Mayor and Clerk to execute the necessary documents contract documents for the project.

KEY POINTS:

The following are key points for consideration with respect to this report:

- Staff are recommending the award of Tender 2025-010-T – Rehabilitation of Bridge #30 and #31, Ontario Street and Ann Street to 2585284 Ontario Inc. o/a Beton as being the lowest compliant bid.
- Total estimated cost of \$1,470,069.00 plus applicable taxes related to this project will be funded from capital project 6200-16-2105
- This report is recommended for immediate action (IA) by Council as the project has timing restrictions from the Credit Valley Conservation Authority and Federal Fisheries and Oceans with in-water works occurring between July 1 and

September 15, 2025. Failure to take IA on this report would result in the project not proceeding in 2025, cost increases and further deterioration of the structures.

BACKGROUND AND DISCUSSION:

As part of the 2025 Capital Budget, Council approved the construction phase for the rehabilitation of Bridge #30 on Ontario Street and Bridge #31 on Ann Street. These improvements will be made through project 6200-16-2105, with an allocated budget of \$1,615,000.

The work under this Contract involves the rehabilitation of Structure 30 (Ann Street) and Structure 31 (Ontario Street). Works include dewatering, removal and reconstruction of reinforced concrete bridge decks for Structure 30 (Ann Street) and Structure 31 (Ontario Street), channel works, installation of guiderail, and site restoration works.

Permit conditions limit any in-water works by the contractor to occur during July 1 and September 15, 2025.

Ontario Street will be closed to all traffic to facilitate construction. A detour route will be in place on Ewing Street.

Access to residential properties on Ann Street will be maintained throughout the construction period. There may need to be intermittent closures of the bridge to facilitate various planned works.

Through Report TPW 2022-0023, Council approved the award of Engineering Design Services and Contract Administration and Inspection Services (provisional upon construction award) to Gannett Fleming.

Staff issued Tender No. 2025-010-T Rehabilitation of Bridge #30 and #31, Ontario Street and Ann Street on April 24 2025. Bids were posted on the Town's Bids and Tenders website. The tenders closed on May 22, 2025. There was a total of thirty-six (36) plan takers downloaded the bid documents. The Town received nine (9) bids.
