2. The Commissioner of Planning & Development may:
 - a) make regulations and impose conditions deemed necessary for any submitted application;
 - b) define and determine the appropriate category upon which any application is submitted; and
 - c) vary or reduce any Planning & Development fee normally required as per this By-law.

3. The following rules apply to the reduction of Planning & Development fees:
 - a) The Commissioner of Planning & Development may, in the interest of economic development, reduce any Planning & Development fees by 50% (fifty percent) for:
 - i. federal, provincial, regional and local governments; and
 - ii. medical offices, private institutional or quasi-institutional uses such as non-profit special needs housing.
 - b) The Commissioner of Planning & Development shall reduce any Planning & Development fees by 50% (fifty percent) for:

NOTES:

1. **Payment of Fees:** All fees shall be paid at the time the application or request is made, unless otherwise noted, as determined by the Commissioner of Planning & Development.
2. **Minor and/or Technical Fee:** The Commissioner of Planning & Development may apply the Minor and/or Technical Fee to any Official Plan Amendment (OPA), Zoning By-law Amendment (ZBA), Subdivision (SUB) or Site Plan (SPA) applications where cost savings are identified due to:
 - consolidated application processing not currently identified in this By-law;
 - no technical studies are required to be submitted; and/or
 - other circumstances that could result in reduced staff effort in processing an application.

Applicants must attend a pre-consultation meeting with Town staff and/or must prove that the processing cost of a complete application for Town staff will be significantly less than that required to process a Standard application.
3. **Variable Fees:** The Variable Fee Per Residential Unit shall be applied to any dwelling unit. For residential uses that propose other types of units not defined as "dwelling units" under the applicable Zoning By-law (e.g. residential care facility suites or rooms), the Variable Fee Per Residential Unit shall still apply. For each Variable Fee the appropriate rate shall apply to each range of dwelling units or non- residential hectare/sq.m. of GFA (e.g. \$120 for each unit between 0-25; \$100 for each unit between 26-100, etc.).
4. **Secondary Zoning By-law Amendment Fee:** The Secondary Zoning By-law Amendment (ZBA) Fee applies where the Zoning By-law Amendment application is filed after having obtained Official Plan Amendment or Draft Plan of Subdivision approval for a proposal in order to best position the review of a Zoning By-law Amendment application in response to Bill 109, *More Homes for Everyone Act, 2022*. This Fee applies to Zoning By-law Amendment applications that are intended to implement Official Plan Amendment and Draft Plan of Subdivision applications that were filed after January 1, 2023.
5. **Holding Removal Fees:** Major, Standard and Minor Holding Removal Application Fees are distinguished by the scale of the project and/or the complexity of the conditions of the Holding Provision that must be satisfied, as determined by the Commissioner of Planning & Development. Special Holding Removal Application Fees apply where the Town Official Plan Policies require the implementation of a development control (i.e. floodplain areas), as determined by the Commissioner of Planning & Development.
6. **Secondary Condominium Fee:** The Secondary Condominium (CDM) Final Approval Fee applies where the Condominium application is secondary to other planning applications, and therefore less work is required to finalize the condominium approval, as determined by the Commissioner of Planning & Development.
7. **Peer Review:** The Town of Halton Hills may require the review of reports, drawings or other materials relating to an application by an outside peer review consultant. The Applicant will be responsible for the payment of any fees required to complete the peer review, as determined by the Commissioner of Planning & Development.
8. **Legal Fees:** Additional legal fees, where required, will be borne by the Applicant unless otherwise specified.

9. Administration Fee: The Administration Fee (Other Fees Section) is calculated annually on files that have been inactive over the preceding 12 months. Application activity is defined as the exchange of documentation such as required plans and/or studies that address and satisfy municipal standards and review comments for the purposes of advancing an application to a decision point or approval. Failure to submit the applicable Administration Fee within 30 days of written notice may result in the closure of the application, as determined by the Commissioner of Planning & Development.
10. Refund Policy: Refunds for withdrawn applications are at the discretion of the Commissioner of Planning & Development. All requests for refunds must be made in writing to the Commissioner of Planning & Development. Refund requests will be evaluated on the following criteria:
- withdrawal of an application prior to circulation to commenting departments and agencies;
 - withdrawal of an application during or after circulation but prior to any statutory public meeting, preparation of staff reports or drafting of agreements or by-law; and
 - where an application is appealed to the Ontario Land Tribunal (OLT), at any point in the application process, no refund of fees shall be provided.
