Dear Rick,

Thank you for sending me a copy of Town Council's resolution in support of the Chicago Climate Change Charter, affirming your commitment to stand with municipal leaders from around the world to address the climate change challenge. Sorry it has taken me this long to respond.

Well done!

All the best.

Dear Mayor Bonnette,

Thank you for sending me a copy of your recent letter to the Prime Minister about Canada/U.S. trade issues, as well as Town Council's resolution expressing support for free and fair trade.

I appreciate the strong stand you and Town Council have taken on this important issue.

The current trade dispute between Canada and the United States threatens the economies of both countries.

In response, we in Canada need to stand together.

We need to remind the Americans of our shared interests and history on the North American continent.

And, through honest and principled negotiations, we should seek a fair outcome which results in a stronger rules-based trading system, and greater prosperity on both sides of the border.

Sincerely,

Ted Arnott, MPP

Resolution

July 10, 2018

Moved by: Councillor Thomson

Seconded by: Councillor Pietrangelo

WHEREAS, the North American Free Trade Agreement (NAFTA) governs nearly every aspect of Canada and the United States economic relationship including manufacturing, agriculture, resources industries, and services;

WHEREAS, about 80% of all of Ontario's exports go to the United States and Ontario is the top trading partner of half of all American States;

WHEREAS, even minor changes to the established trade relationship between Canada and the United States could have significant consequences for workers, consumers, and governments on both sides of the border;

WHEREAS, Canada's and Ontario's economic future and the continued well-being of communities and their local economies depend on free and fair trading relationships based in current future trade agreements;

Therefore be it resolved; that Ontario municipal governments, represented by the Association of Municipalities of Ontario (AMO), stand together with the Federal and Ontario governments in their efforts to protect Canadian jobs and local economies;

RESOLVED that AMO will work with the Province of Ontario to support the interests of municipalities and communities affected by trade disputes and during ongoing trade agreement negotiations;

RESOLVED that AMO will work with the Federation of Canadian Municipalities to ensure that Canada understands the municipal impacts affected by trade disputes and during ongoing trade agreement negotiations;

AND The Seal of the Corporation be hereto affixed.

Dear Minister Yakabuski,

RE: Guelph City Council resolution re: two-way all-day GO rail service and high speed rail

Congratulations on your appointment as Ontario's Minister of Transportation. I look forward to meeting you, possibly at the Association of Municipalities of Ontario (AMO) conference in August.

I am writing to advise you of a resolution passed by Guelph City Council at our meeting of May 28, 2018. It is as follows:

1. That the City of Guelph calls upon all political parties at the provincial and federal levels of government to remain committed to both Two-Way All-Day GO rail service from Toronto to Waterloo Region by 2024, and to move forward to bring Canada's first High Speed Rail line from Toronto to London in 2025.
2. That a copy of the resolution be sent to the Prime Minister of Canada, leaders of the Ontario Liberal Party, the Ontario Progressive Conservative Party, the Ontario New Democratic Party, and the Green Party of Ontario, the local MPs and MPPs, the Association of Municipalities of Ontario, the Region of Waterloo, local area municipalities along the proposed Two-Way All-Day GO rail service and High Speed Rail route.

Thank you for your attention to this matter.

July 25, 2018

The Hon. John Yakabuski
Minister of Transportation
Ferguson Block 3rd Floor,
77 Wellesley St W, Toronto, ON
M7A 1Z8

Dear Minister:

Yesterday I received a copy of a resolution from the Council of the Town of Halton Hills, regarding the need for full-day, two-way GO train service between Kitchener and Toronto. Enclosed is their resolution for your ease of reference.

Town Council is expressing support for the implementation of full-day, two-way GO train service from Kitchener to Toronto by 2024 and, planning for a high speed rail line connecting London and Toronto.

I have been actively engaged on the Go train issue for some time. On July 2nd, 2014, as soon as it was possible to do so after the provincial election, I tabled a Private Members' Resolution which called upon the Government to immediately fulfill its commitment to provide full-day, two-way GO train service on the Kitchener Line between Waterloo Region and the GTA, with stops in Wellington-Halton Hills. My Resolution was one of the first ones on the Ontario Legislature's Order Paper.

Working together, we in Wellington-Halton Hills have been actively pushing for improved GO train service for our residents. The Town of Halton Hills Council and Staff have been very supportive, and we've made some significant progress. The Acton GO station was reopened in January 2013, giving our residents another access point for commuter rail service to the Greater Toronto Area. Additional new trains along the Kitchener corridor give our residents greater flexibility for their daily commute.

Moved by:

Seconded by:

BE IT RESOLVED THAT Council receives the Director of Emergency Service/Fire Chief's Administrative Report entitled, "Grandfathering of Volunteer Firefighters to NFPA Standards - Update" for information purposes;

AND THAT Council continue to advocate that the New Provincial Government continue to support rural fire services and provide sufficient funding to cover additional costs associated with the certification initiative;

AND THAT Council defer this to the 2019 budget deliberations, as sufficient funding is required for a training program which will adequately provide the legislated training to meet the requirements of the Establishing and Regulating By-law and our Core Services;

AND THAT the Clerk provide a copy of this Resolution to all Ontario Municipalities requesting support; Association of Municipalities of Ontario (AMO); Minister of Community Safety and Correctional Services and Randy Hillier, MPP.

AND THAT Council instructs the Clerk to include a copy of the Admin Report on the next Joint Fire Committee Agenda;  

AND THAT a copy of the Administrative Report be provided to Chief Cuddy at this time.

Dear Renée,

Thank you for sending along the notice of the adoption of Resolution No. 2018-0101, the motion to support the Townsend Smith Foundation in building a North Halton Hospice in the Milton Education Village. We are fully engaged in both short- and long-term planning of Laurier's campus expansion and welcome discussions with potential partners in the region.

I have shared a copy of the resolution with Deborah Dubenofsky, Laurier's Vice-President: Finance and Administration. She would be pleased to chat with you further regarding the possibility of locating North Halton's first residential hospice in the Milton Education Village.

Sincerely,

Subject: Regulating the Display and Distribution of Objectionable Images

At its meeting on August 7, 2018, Oakville Town Council approved the following motion:

WHEREAS Oakville wishes to be a safe and welcoming community for all those who are residents or visitors to our town; and

WHEREAS messaging and graphic depictions felt by many to be upsetting and objectionable appear in public places, on our streets and at our doorsteps yearly; and

WHEREAS the Canadian Code of Advertising Standards includes in its provisions, outlined under Unacceptable Depictions and Portrayals - Advertisements shall not: undermine human dignity; or display obvious indifference to, or encourage, gratuitously and without merit, conduct or attitudes that offend the standards of public decency prevailing among a significant segment of the population.

THEREFORE, BE IT RESOLVED that Council direct the Director of Municipal Enforcement, in consultation with the Town Solicitor, to assess options to:

- a. regulate the display of banners/signs in public places as well as the distribution of print materials to private residences that contain extremely graphic images intended to shock, alarm, or cause dismay, including the potential for the prohibiting of the public display and distribution of such print materials for the purposes of addressing the potential of such displays to cause harm to members of the public, especially children; and*
- b. report back to Council in 2019.*

Be it further resolved that by way of a letter to the Hon. Caroline Mulroney, Attorney General, Mayor Burton, on behalf of Council, urge the Province of Ontario to limit and regulate the display and distribution of posters, signs and leaflets that contain disturbing images; and

THAT Mayor Burton, on behalf of Council, write the Minister of Justice of Canada urging the consideration of amendments to Section 163(8) of the Canadian Criminal Code - Obscene Publication; and

THAT a copy of this resolution be sent to all members of the Association of Municipalities of Ontario (AMO).

SUBJECT: Move Ontario 2020 Quick Wins Funds Proposed Candidate Project - Wyecroft Road Extension

LOCATION: Wyecroft Road between Bronte Road and Burloak Drive

WARD: 1

Page 1

RECOMMENDATION:

1. The Regional Council be advised that the Town of Oakville supports the use of Move Ontario Quick Wins Funding to extend the Wyecroft Road Bridge.
2. That the Mayor be requested to write a letter to the Province conveying Oakville's commitment to the completion of the Wyecroft Bridge.
3. That the Regional Council be advised that the Town of Oakville supports the transfer of Wyecroft Road extension between Bronte Road and Burloak Drive and the incorporation of the construction into the 2019 Budget and Forecast.
4. That this report and resulting resolution be forwarded to the City of Burlington, Town of Milton and the Town of Halton Hills for information.

KEY FACTS:

The following are key points for consideration with respect to this report:

- The Region of Halton had received Quick Wins funding of \$57.6 mil from the Ministry of Transportation under the Move Ontario 2020 Quick Wins Program. At that time a BRT corridor along Dundas Road through Oakville and Burlington was identified as the project to be funded.
- The Region and the local municipalities raised concerns with the priority of the Dundas BRT and initiated the Mobility Management Strategy in order to determine Halton's longer term region-wide inter/intra transportation network
- In 2017, the Mobility Management Strategy for Halton was completed with the support of all Halton municipal staff and the CAO's. Regional Council's approval of the strategy identified the Plains/Harvester/Wyecroft/Speers corridor as a "Transit Priority Corridor"

Page 2

- In 2017, in part on the basis of this longer term Mobility Management Strategy, the Town of Oakville approved an Official Plan Amendment to establish an Urban Structure which identified the Wyecroft/Speers corridor as a Transit Priority Corridor.
- In 2018, Metrolinx approved their Regional Transportation Plan which is to achieve strong connections throughout the Region, supporting a full travel experience and promoting sustainable and healthy communities. The construction of the Wyecroft Bridge contributes to this goal by improving connections throughout Halton, supporting better access through the first and last mile and providing alternative means of travel for both persons and goods.
- Staff support the Region in applying the Move Ontario Quick Win funding to the Wyecroft Bridge as it:
 - Allows for east/west connections for all modes of travel through Halton Region in keeping with the Metrolinx's Plans, Halton Mobility Management Strategy and the Town's Urban Structure.
 - Connections to the Bronte and Appleby GO stations are enhanced further improving the first and last mile connections supporting the Metrolinx Regional Transportation Plan and the Region's transportation planning
- No other project was identified by the Halton CAO's that would satisfy the 'Quick Win' criteria.

BACKGROUND:

In 2007, the Region applied for and obtained \$57.6 mil in Move Ontario Quick Win funding for the establishment of a BRT corridor along Dundas Street through Halton Region. More recently, the Province has indicated that the funding should be used or consideration may be given to funding other projects throughout the Metrolinx area. Halton, Burlington and Oakville staff have agreed that the funding of Dundas BRT corridor is not a current priority and as a result the Region, with the support of the local municipalities initiated the Mobility Management Strategy.

The Mobility Management Strategy identifies Plains/Harvester/Wyecroft/Speers as a Transit Priority Corridor given it provides inter regional east west connections for all modes of travel. (Appendix A).

COMMENT/OPTIONS:

The Wyecroft Road extension is an important link in the context of the region's transportation network in that it provides a needed linkage between Burlington and Oakville and helps facilitate connections to the existing Bronte GO station and Appleby GO station along the Lakeshore West line. The east-west flow in Halton

Page 3

Region is constrained in this area by the Natural Heritage System as there are limited opportunities to cross the Bronte Creek.

The importance of this connection has been identified in the Regional Official Plan, Transportation Master Plan and the recently completed Mobility Management Strategy. As indicated above the corridor of Plains/Harvester/Wyecroft/Speers is identified as a 'Transit Priority Corridor' providing for east west connection linking to the key north south corridors. These corridors not only carry personal vehicles, but they provide the opportunity for bus transit, cycling and pedestrian traffic.

The Town of Oakville has relied on these key transportation linkage to develop our recently adopted urban structure. The Town's urban structure emphasizes the significance of identifying and protecting key transportation linkages and corridors, both existing and planned for all travel modes. Specifically, the urban structure clearly establishes the need for enhanced connectivity to support a more sustainable transportation system and urban structure.

In addition, Wyecroft Road is in close proximity to the Bronte GO Major Transit Station Area (MTSA) that will accommodate a significant amount of growth in the next 25 years, its development will improve access to the Bronte GO MTSA. The growth to be planned for the Bronte GO MTSA will, in part, rely on local transit connections that will benefit from enhanced access facilitated by this extension.

In context of Metrolinx's recently approved Regional Transportation Plan, this connection contributes to the goal of "Strong connections", specifically addressing the strategies of "Connect the Region" and "Optimize the system". As indicated above this connect is significantly lacking in the transportation network and will enable consideration of a higher level bus service providing improved accessibility to the Region and an alternative access to the GO stations in both Burlington and Oakville. This connection also contributes to the optimization of the transportation system by expanding the first and last mile choices in accessing major transit stations and enables local traffic to travel on the Regional arterial network, thereby optimizing highways for goods movement.

'Quick Win' funding criteria was focused on projects that would:

- Improve first mile/last mile connections to Major Transit Station Areas;
- Leverage current investment or service improvements by Metrolinx
- Address Station access or network connectivity, whether by transit or active transportation, and
- Be "design ready" wherein Provincial Environment Assessment requirements have been addressed

PLANNING AND DEVELOPMENT COUNCIL MEETING

From: Ray Green, Chief Administrative Officer

Date: July 9, 2018

Subject: Move Ontario 2020 Quick Wins Funds Proposed Candidate Project - Wyecroft Road Extension

Page 4

The Wyecroft Extension achieves each of these criteria:

- The proximity of the Bronte GO station identified as a Major Transit Station Area is enhanced with increased accessibility. Access to both work and home is increased with easier access to the Bronte GO.
- The Bronte GO station is on the Lakeshore West GO line which will be served by the RER increased service. The Wyecroft extension provides accessibility to more businesses and residents leverage access to GO services.
- Network connectivity is achieved with the Wyecroft extension as intended by the many transportation plans approved by the Region and the Town of Oakville
- The Wyecroft Extension has been approved in an EA and would fulfil the "design ready" criteria.

Staff recommend that Council support the Region in selecting the Wyecroft extension as the 'Quick Win' project and commit to build the extension in their 2019 Budget and Forecast. In addition, given the role of the connection, staff are supportive of the Region taking ownership of this section at this time and would expect to discuss the future of the balance of the corridor at the next Road Rationalization program.

CONSIDERATIONS:**(A) PUBLIC**

The public have been consulted throughout the EA process. No further consultation is required related to this report.

(B) FINANCIAL

The Wyecroft Road extension between Bronte Road and Burloak Drive is included in the 2018 Development Charges Background Study at a cost of \$60 million with \$9 million identified as post period. The project is 100% growth related and is currently scheduled to begin in 2030.

Should Regional Council approve the project and include it in their 2019 Budget and Forecast there would be no change to the town's current Development Charge By-law. The Development Charges Act does not require us to update the study should there be a change to the projects identified in the Background Study. It is not unusual for projects to be delayed, construction and cost changes or unexpected grant funding. These changes would then be incorporated into the next update. In this

PLANNING AND DEVELOPMENT COUNCIL MEETING

Page 5

case, the project would be removed from the capital forecast and not included in the next update to the Development Charges By-law.

(C) IMPACT ON OTHER DEPARTMENTS & USERS

Finance, Engineering and Construction and Planning Services were consulted in the preparation of this report

(D) CORPORATE AND/OR DEPARTMENT STRATEGIC GOALS

This report addresses the corporate strategic goal to:
the most livable town in Canada.

(E) COMMUNITY SUSTAINABILITY

The funding of Wyecroft would implement our community sustainability goals.

Dear Minister:

Yesterday, I received a copy of a resolution from the Council of the Town of Halton Hills in support of Bill 16, *Respecting Municipal Authority Over Landfilling Sites Act, 2018*. Enclosed is the resolution for your ease of reference.

Town Council is calling on the Government to formally grant municipalities the authority to approve landfill projects in or adjacent to their communities.

On May 3rd, 2018, I had the opportunity to speak in support of Bill 16 during Second Reading debate.

I wish to pass along the resolution raised by Town Council. Please respond to Town Council and send a copy of your response to my Queen's Park office.

Thank you for your consideration of this important matter.

Re: Establishing the legitimacy of municipal and provincial regulatory roles before the Ontario Court and close the regulatory gap where federal projects are proposed.

Dear Sir,

At the regular council meeting of July 16, 2018, Council reviewed correspondence from the Association of Municipalities of Ontario suggesting councils consider endorsing the Halton Region Resolution to establish the legitimacy of municipal and provincial regulatory roles before the Ontario Court and close the regulatory gap where federal projects are proposed. As a result of the review the following resolution was passed,

"Moved By Councillor Rogers
Seconded By Deputy Mayor Meloche

(R18-07-357) That correspondence from AMO Communications, dated July 12, 2018 re: AMO Watchfile - July 12, 2018 suggesting that councils considering supporting the Halton Region resolution to establish the legitimacy of municipal and provincial regulatory roles before the Ontario Court and close the regulatory gap where federal projects are proposed, be received and supported; and

That if Council chooses to support Halton Region's resolution, Premier Doug Ford, AMO, the Federation of Canadian Municipalities and the Town of Halton Hills be advised;

That the Council of the Town of Essex endorse the principles that:

- a. there must be a cooperative approach to all developments that engage federal, provincial and municipal regulatory matters.
- b. the existence of federal regulation over a development does not preclude and may require provincial and municipal regulation of the proposed development to avoid regulatory gaps; and

That the Town of Essex supports the Halton Municipalities and the Government of Ontario in the Court Application to confirm a legitimate municipal and provincial regulatory role with respect of this CN development.

Carried"

Re: Provincial Agricultural Systems Mapping

The Council of the Township of Selwyn passed the following Resolution at their August 7, 2018 Council meeting.

Resolution No. 2018 – 153 – Provincial Agricultural Systems Mapping

Councillor Donna Ballantyne – Councillor Gerry Herron –

Whereas the Provincial Liberals seem to have made rash, broad stroke decisions by implementing Agricultural Systems mapping changes with little notice and no transition period;

Be it resolved that the Provincial Conservatives review the rationale and research that drove the decision to implement the new Agricultural Systems mapping that expanded prime agricultural land designations; and that the new government be urged to review and modify the severe restrictions resulting from the agricultural systems mapping; and that this Resolution be circulated to M.P.P. Dave Smith, the Association of Municipalities of Ontario (AMO) and all AMO municipalities requesting their support.

Carried.

Dear Premier:

Re: Town of Aurora Council Resolution of June 12, 2018

Re: Motion (b) Greenbelt Protection

Please be advised that this matter was considered by Council at its meeting held on June 12, 2018, and in this regard Council adopted the following resolution:

Whereas the Town of Oakville has passed a similar resolution; and

Whereas the Greenbelt is an integral component of land use planning that complements the Growth Plan to encourage smart planning, the reduction of sprawl, protection of natural and hydrological features and agricultural lands; and

Whereas the Greenbelt has protected 1.8 million acres of farmland, local food supplies, the headwaters of our rivers and important forests and wildlife habitat for more than 12 years; and

Whereas a permanent Greenbelt is an important part of the planning for sustainable communities; and

Whereas there is a tremendous amount of land already planned and available in excess of the development needs of the Greater Toronto Area (GTA) without weakening the protections provided by the Greenbelt; and

Whereas efforts to open the Greenbelt to create the opportunity for land speculators to build expansive homes, at immense profits, in remote areas; and

Re: Town of Aurora Motion (b) Greenbelt Protection
August 10, 2018
Page 2 of 3

Whereas opening the Greenbelt would move the urban boundary thus creating more sprawl and increased traffic; and

Whereas the costs of sprawl result in increased taxes, because 25% of the costs of sprawl are downloaded to existing property tax payers; and

Whereas programs like the proposed inclusionary zoning regulations will assist municipalities in advancing the supply of affordable housing stock without the need to expand the built boundary;

- 1. Now Therefore Be It Hereby Resolved That the Town of Aurora stands with its municipal neighbours to undertake continued action to maintain and grow the current Greenbelt, of which the Oak Ridges Moraine is a part; and**
- 2. Be It Further Resolved That the Province be strongly urged to extend Greenbelt protection to include the appropriate white belt lands within the inner ring, lands that are the most immediately vulnerable to development in the province; and**
- 3. Be It Further Resolved That this resolution be distributed to the Premier of Ontario, the Minister of Municipal Affairs, the Minister of the Environment and Climate Change, all Greater Golden Horseshoe (GGH) municipalities, the Association of Municipalities of Ontario, Environmental Defence, Friends of the Greenbelt Foundation, STORM Coalition (Save The Oak Ridges Moraine), Oak Ridges Moraine Foundation, The Regional Municipality of York, and members of Municipal Leaders for the Greenbelt, and leaders of the various Ontario political parties.**

Immediate Steps to Address Gun Violence

City Council Decision

City Council on July 23, 24, 25, 26, 27 and 30, 2018, adopted the following:

1. City Council urge the Federal Government to ban the sale of handguns in the City of Toronto.
2. City Council request the Government of Canada to strengthen its proposed gun control legislation in Bill C-71, An Act to amend certain Acts and Regulations in relation to firearms, by:
 - a. restoring the 1977 controls on the sale of unrestricted firearms requiring firearms dealers to record the licence number, make, model and serial number of all firearms sold and subject these records to annual inspection so that police services can inspect records as needed to trace firearms used in crimes;
 - b. creating more stringent transport provisions for restricted firearms to limit transport outside of direct transfers between their place of storage and approved destination; and
 - c. prohibiting the availability, sale, possession and use of handguns, assault rifles and semi-automatic firearms in Canada, with the exception of the Canadian Armed Forces, police services or other entity that is authorized to possess firearms with legal obligations imposed by the municipal, provincial and federal governments.
3. City Council request the Federal Government to enact legislation:
 - a. to control guns coming into Canada along the American and Canadian border; and
 - b. to create gun repositories that require all long guns and hand guns to be locked up and only retrieved if and where there is a need for hunting or going to the range for target practice, such repositories to be developed in a private-public partnership.
4. City Council request the Mayor to convey to the Attorney General of Canada and Public Safety Minister City Council's request that relevant legislation, including but not limited to legislation currently before Parliament, be amended to:

- a. include tougher penalties including mandatory-minimum sentences for gun traffickers;
- b. direct more resources to tackle domestic firearm trafficking, specifically targeting large single purchasers of firearms; and
- c. implement tougher screening for mental health and intimate partner violence issues for licensed gun owners and those seeking to acquire firearm permits.

5. City Council request the Minister of Border Security and Organized Crime Reduction and the Minister of Public Safety to advise the City of Toronto on:

- a. how Ottawa can support efforts to deter or reduce the ongoing wave of gun and gangs violence in Toronto;
- b. ways of stopping the free flow of illegal guns along the United States of America border into Canada; and
- c. how the allocated federal funding will assist the City in eradicating the level of gun violence in Toronto.

6. City Council urge the Provincial Government to ban the sale of handgun ammunition in the City of Toronto.

7. City Council request the Government of Ontario to fulfill its campaign promise to provide an additional \$1.9 billion for mental health supports.

8. City Council request the Province of Ontario to review the Residential Tenancies Act or any other relevant legislation with a view to provide more tools to evict people for criminal behaviour specifically related to guns, gangs and drug trafficking and to provide more resources to the Landlord and Tenant Board to process evictions on a more timely basis.

9. City Council authorize the Executive Director, Social Development Finance and Administration to apply for, enter into any necessary agreements, receive, and allocate Federal Government funding for an amount of \$1.050 million in 2018 to immediately implement the Youth Violence Prevention Initiatives and expand the Community Crisis Response Program, as detailed in Revised Appendix B, #1, #3, #4 and #16 to the report (July 17, 2018) from the Interim City Manager.

10. City Council, upon receipt of Federal Government funding, authorize the Chief Financial Officer to adjust the 2018 Approved Operating Budgets for Social Development, Finance and Administration by \$0.900 million gross and \$0 net, which will support the addition of 8 temporary positions to the program complement; and Shelter, Support and Housing Administration for \$0.150 million gross and \$0 net, contingent on receipt of funding from the Federal Government.

11. City Council authorize the Executive Director, Social Development Finance and Administration to apply for up to an additional \$29.0 million in Federal Government funding

over a five year period beginning April 1, 2019, for ongoing investments in community violence intervention and prevention programming.

12. City Council authorize the City Manager to request, enter into any necessary agreements, receive, and allocate Provincial or Federal Government funding up to \$15.0 million to support enforcement initiatives, including enhanced surveillance activities and enhanced community security in local communities most impacted by gun violence as detailed in Revised Appendix B, #18, #19 and #20 to the report (July 17, 2018) from the Interim City Manager.

13. City Council authorize the City Manager to request, enter into any necessary agreements, receive, and allocate Provincial or Federal Government funding up to \$2.6 million to fund the implementation of measures in the approved Youth Equity Strategy that are deemed most effective at addressing the roots of youth violence by the General Manager, Social Development, Finance and Administration, and the Toronto Police Service.

14. City Council direct the City Manager to report through the 2019 budget process on the impact of these investments and any additional resources required to implement a proactive safe summer plan in 2019.

15. City Council request the City Manager, in collaboration with the Toronto Police Services Board, prior to awarding the contract to ShotSpotter, to consult with the office of the Ontario Information and Privacy Commissioner, and if any concerns are identified and not resolved to the satisfaction of the Ontario Information and Privacy Commissioner, that these matters be reported to the Executive Committee.

16. City Council require the City Manager to monitor the use, and potential community benefits of Shot Spotters in at-risk communities, in consultation with affected communities and the Toronto Police Services Board and to report back to City Council on the effectiveness of this technology in the first quarter of 2019.

17. City Council request the Toronto Police Services Board to immediately hire 100 new police officers, funded in 2018 through the Tax Rate Stabilization Fund, with the 2019 costs to be considered as part of the 2019 Budget Process.

18. City Council request the Toronto Police Services Board to request the Chief of Police to:

- a. accelerate and increase the hiring of experienced community officers from other Services to be deployed City-wide; and
- b. accelerate the implementation of a sustainable Neighbourhood Policing Model City-wide recommended through the Toronto Police Service modernization plan and to report to the Budget Committee through the 2019 budget process to address if any additional funding is required; and
- c. determine how the existing Police Community Partnerships within 11, 12 and 13 Divisions could be expanded to other parts of the City where local community organizations (i.e. Ratepayer and Tenant Associations, local Business Improvement Areas, community organizations and community leaders), working in partnership with the

Toronto Police Service, can help in reducing the level of crime through crime prevention initiatives, at no cost to the Toronto Police Service.

19. City Council request the Toronto Police Service Board and the Province of Ontario to consider the recommendations in the April 2018 report, "Another Day, Another Janazah" published by the Somali Youth Research Initiative, a research project that works to analyze and better understand the scope, experience of violence and homicides among Somali-Canadian youth in Ontario, in particular, the report calls for the following recommendations:

- a. the collection of disaggregated data to better address gaps in data and to do so in consultations with Somali-Canadian families and their community, regarding concerns that Somalis are dying at a greater rate than members of other community groups that are impacted by gun violence, in accordance with the Ontario Human Rights Code and the Canadian Human Rights Act;
- b. the establishment of an advisory group composed of community leaders, victim families, police services, and community organizations to analyze and review current homicide investigation practices to identify existing gaps to improve clearance rates; and
- c. investments in culturally-sensitive mental health resources for Somali-Canadian families by increasing the funding provisions of Enhanced Youth Outreach Workers and counsellors with a focus on mental health.

20. City Council request the Board of Directors of the Toronto Community Housing Corporation to report to the Executive Committee in the first quarter of 2019 on the concrete steps being undertaken by the Corporation to reduce the number of gun crimes in Toronto Community Housing.

21. City Council request the Chief Executive Officer, Toronto Community Housing Corporation to determine what additional resources are needed to take immediate steps to address gun and gang violence within the Toronto Community Housing Corporation complexes that are within Neighbourhood Improvement Areas, such as hiring on-site security 24 hours a day, 7 days a week, and to report back to the City Manager with any resources request for inclusion in the 2019 Operating Budget.

22. City Council direct the City Clerk to write to the Chief Coroner for Ontario, on behalf of Toronto City Council, to request an inquest be held into gun violence related deaths in Toronto to make useful recommendations directed to the avoidance of further deaths due to gun violence and to circulate this resolution to Ontario municipalities asking that they support this request for their communities.

23. City Council direct the City Manager to report back on by-law and/or policy initiatives addressing gun violence that may be taken by the City of Toronto, including potential by-laws to control the sale of handguns in Toronto.

24. City Council direct the City Manager in consultation with the Toronto Police Services Board, to establish a Gun Amnesty/Buyback program and report to City Council in the first quarter of 2019 on the status of implementation.

25. City Council request the City Manager, in consultation with the Toronto Police Services Board, to conduct a review of existing municipal initiatives in Canada that have as their aim the reduction and/or regulation in the sale, storage, and use of ammunition, and to identify possible regulatory options that may be pursued by the City of Toronto in this regard.
26. City Council request the City Manager and the Executive Director, Municipal Licensing and Standards, in consultation with the Toronto Police Services Board, to report on the findings of their review of the powers under the licensing provisions of the City of Toronto Act to regulate/and or limit the sale of ammunition, similar to the regulations implemented for fireworks.
27. City Council request the City Manager to present City Council with a comprehensive analysis of the legislative tools available to City Council to regulate the sale, storage and use of ammunition with the City's borders.
28. City Council request the Chief Planner and Executive Director, City Planning to report back in the first quarter of 2019 to the Planning and Growth Management Committee with draft options for a zoning by-law amendment that would have the effect of the City of Toronto regulating, within its borders, the sale, storage, and use of ammunition for firearms, with the exception of ammunition that is stored or used by the Canadian Armed Forces, a police force, or other entity that is authorized to store or use ammunition in connection with a legal obligation imposed by the municipal, the provincial or the federal government.
29. City Council request the Executive Director, Municipal Licensing and Standards, in cooperation with the Chief Building Official and Executive Director, Toronto Building and the Chief Planner and Executive Director, City Planning, to investigate any operating gun clubs with a shooting range in the City of Toronto to determine if they are operating legally and take appropriate action if required.
30. City Council request the Director, Real Estate Services and the General Manager, Shelter, Support and Housing and Administration to investigate and determine the feasibility of acquiring and repurposing the remaining gun clubs with shooting ranges in the City of Toronto for civic purposes.
31. City Council direct the Executive Director, Social Development Finance and Administration, in consultation with the Medical Officer of Health, to work with relevant community partners, the Toronto Community Housing Corporation and the Toronto Police Services Board, to ensure access to a range of support services and programs for victims, witnesses, and community members who experience violence.
32. City Council request the Executive Director, Social Development Finance and Administration to ensure that the Community Crisis Response Program and other trauma recovery programs include culturally appropriate methods and resources.
33. City Council request the Medical Officer of Health, the General Manager, Children Services and the Executive Director, Social Development, Finance and Administration to work together to ensure that the anti-violence strategy and initiatives include and benefit children in the middle childhood years, 9 to 14.

34. City Council request the Mayor to establish a Community Safety Advisory Body in the first quarter of 2019, composed of representatives from:

- a. the City of Toronto;
- b. the Ministry of Community Safety and Correctional Services;
- c. the Ministry of the Attorney General;
- d. members of the judiciary;
- e. chairs of the Toronto District School Board and Toronto Catholic District School Board;
- f. Toronto Community Housing Corporation;
- g. the Toronto Police Services Board and the Toronto Police Service;
- h. the Board of Health;
- i. youth;
- j. business;
- k. individuals who have experienced incarceration;
- l. labour;
- m. the media; and
- n. other individuals with extensive expertise and experience in the field,

to provide expert, informed guidance to the City and other orders of government on how to enhance community safety and effectively coordinate their enforcement and prevention initiatives.

35. City Council direct the City Manager and appropriate staff to consult and work with the gender-based violence sector and women's organizations to develop an intersectional gender-based analysis and approach when carrying out the research, work and implementation as it relates to Items CC44.14 and HL28.6.

36. City Council forward this Item to the Boards of the Toronto Police Service and the Toronto Community Housing Corporation for information and to all not-for-profit organizations working with the City of Toronto through Social Development Finance and Administration initiatives.

City Council Decision Advice and Other Information

City Council considered Items HL28.6 and CC44.14 together.

Summary

At its meeting of June 26-28, 2018, Council directed the City Manager to request an emergency meeting with the Toronto Police Service, Toronto Community Housing Corporation and appropriate staff to determine what additional resources are needed to take immediate steps to address gun violence in the city, and report back to the July 23, 24 and 25, 2018 meeting of Council.

This report provides information on the emergency meeting, an overview of current initiatives to address gun violence (Appendix A), and a listing of proposed crime prevention actions for investment by the City (Appendix B) and other levels of government for Council's consideration.

This report also seeks authority for the Executive Director Social Development Finance and Administration to request funding of up to \$30.0 million from the Federal government to support Community Crime and Violence Intervention Initiatives and up to \$15.0 million from the Provincial government to support Enforcement initiatives.

The report also requests authority to increase the 2018 Approved Operating Budgets for Social Development, Finance and Administration and Shelter, Support and Housing Administration by \$1.050 million required to immediately implement responses to community violence, with expanded programming subject to confirmation of funding from Public Safety Canada.

- Ontario government revokes Regulation that implements cap-and-trade carbon tax regime.
- New *Smoke-Free Ontario Act, 2017* effective date postponed indefinitely.
- Federal regulations to implement the *Cannabis Act* are now final.
- 10th anniversary of the LAS Electricity Program.
- Careers with Kitchener, Hamilton Township, Pelham and London.

Provincial Matters

The Ontario government has revoked Regulation 144/16 that implements the cap-and-trade carbon tax regime. The revocation took effect July 3, 2018. The government is beginning to wind-down all programs funded out of cap-and-trade carbon tax revenues. Municipal governments have an interest, given projects they have undertaken with funding, and the potential impacts if the social housing energy refit program (Shape), is not carefully handled in light of its multi-year nature and the improvements it will bring to the quality of housing for low income people.

The *Smoke-Free Ontario Act, 2017* effective date is postponed indefinitely. The new government wants an opportunity to review the new regulations related to vaping in provincially regulated workplaces. Until the Act is proclaimed into force, the existing *Smoke-Free Ontario Act* and *Electronic Cigarettes Act, 2015* remain in force.

Federal Matters

With legalization of recreational cannabis set for Oct.17, 2018, the federal regulations to implement the Cannabis Act are now final and include: Industrial Hemp Regulations; Qualifications for Designation as Analyst Regulations (Cannabis); Regulations Amending and Repealing Certain Regulations Made under the *Controlled Drugs and Substances Act*; and *Cannabis Act* (Police Enforcement) Regulations. The AMO Conference will have a session on cannabis providing not only the final legislative framework but things to know and do.

Federal Matters

Ontario communities and municipal leaders are concerned about the recent Greyhound Bus announcement cancelling inter-municipal bus services. Its action is not just about Western Ontario as it affects Northern Ontario too. AMO President Dollin has asked the Prime Minister and Minister Garneau to recognize and include Ontario municipalities in federal work underway to find solutions. AMO has offered to facilitate federal discussions with key Ontario municipal leaders soon, including NOMA and FONOM.

Despite commitments made in 2014, once again the Federal Ministry of Innovation, Science & Economic Development is consulting on the 3500 MHz spectrum band, the key band used to deliver Internet service to rural Canadians. The options proposed could take away 3500 MHz spectrum from smaller providers, including their existing customers, in order to make it available for mobile use, primarily in Canada's densely populated areas. We ask that changes be made without impacting services for existing customers. Comments are requested prior to mid August.

Unfortunately, social media is not always used for good. Municipal staff and elected officials are regularly challenged by angry Facebook groups, harmful posts, and online ranting that often doesn't go away easily. On October 10 AMO hosts a webinar that will help you move away from the emotion of the moment and make wise decisions to respond (or not) in a way that is helpful, not harmful. Drawing from true examples, you'll get practical advice to maintain a positive reputation and come out ahead. [Click here to register today.](#)
