

MEMORANDUM

To: Members of Community & Corporate Affairs Committee
From: Mayor Rick Bonnette
Mem No. ADMIN-2018-0005
Subject: Representative of CTC Source Protection Committee
Date: November 30, 2018

PURPOSE OF THE MEMORANDUM:

The purpose of this memorandum is to inform Council that Dave Kentner has graciously agreed to continue as the Municipal Representative for Halton Region and Wellington County on the CTC Source Protection Committee until his appointment ends in June 2019.

BACKGROUND:

The Clean Water Act, 2006 established Source Protection Areas and Regions across Ontario, largely based on the watershed boundaries of Ontario's conservation authorities. The CTC Source Protection Area encompasses the Credit Valley, Toronto and Region, and Central Lake Ontario areas. There are nineteen Source Protection Committees in Ontario which were created to undertake a technical assessment of sources of drinking water servicing municipal drinking water systems. These committees were also tasked with developing a Source Protection Plan with requirements of municipalities, conservation authorities, the Province, and other stakeholder to protect these systems.

The CTC Source Protection Committee guided the development of the CTC Source Protection Plan. The Plan sets out the policies for reducing, eliminating or preventing significant threats to drinking water sources and establishes who has responsibility for taking action, sets timelines, and determines how progress will be measured. The CTC Source Protection Committee has held meetings generally three to four times per year to review progress on the plan.

COMMENTS:

As you will know, Dave Kentner was first elected to Halton Hills Council, representing Ward 3 in 2006. Since 2007 when the CTC Source Water Protection Committee was initially established Dave has been the Municipal Representative for Halton Region and Wellington County on the committee. In addition, Dave has served on many environmental organizations including the Halton Hills Mayor's Green Plan Task Force, the former Halton Hills Environmental Advisory Committee and the Conservation Halton Board of Directors.

Dave is interested in continuing to follow and guide the progress being achieved through the CTC Source Water Protection Committee to the end of his term in June 2019.

CONCLUSION:

Dave Kentner has graciously agreed to continue to represent Halton Region and Wellington County as the Municipal Representative on the C.T.C. Source Water Protection Committee until his appointment ends in June 2019. Dave's wealth of experience in source protection and years of dedicated community service will ensure that the interests of the communities within Halton and Wellington are well served on the committee.
