OFFICIAL PLAN AMENDMENT No. 38

TO THE OFFICIAL PLAN FOR THE TOWN OF HALTON HILLS

PART A: THE PREAMBLE does not constitute part of this Amendment

PART B: THE AMENDMENT consisting of the following Schedule and Text constitutes Amendment No. 38 to the Official Plan for the Town of Halton Hills.

**AMENDMENT NO. 38 TO THE OFFICIAL PLAN
OF THE TOWN OF HALTON HILLS**

The attached text and schedules constitute Amendment No. 38 to the Official Plan of the Town of Halton Hills, which was adopted by the Council of the Town of Halton Hills by By-law 2019-XXXX in accordance with the provisions of the Planning Act, 1990. R.S.O., c.p. 13, as amended;

THE CORPORATION OF THE TOWN OF HALTON HILLS

MAYOR – Rick Bonnette

TOWN CLERK – Suzanne Jones

PART A – THE PREAMBLE

PURPOSE OF THE AMENDMENT

The main purpose of this amendment is to permit accessory apartments under Official Plan designations wherever single detached dwellings are already permitted in the Rural Area. The Amendment also introduces criteria for permitting accessory apartments in the Rural Area in a similar manner to what is already required for these units in the urban area.

LOCATION

The amendment applies to the Halton Hills Rural Area (excluding the Niagara Escarpment Plan Area), specifically to lands where designations permit single detached dwellings. Within the Niagara Escarpment Plan Area, the amendment would seek to permit accessory apartments in the *Escarpment Rural Area* designation, subject to policies of the Niagara Escarpment Plan.

BASIS FOR THE AMENDMENT

The Strong Communities through Affordable Housing Act, 2011, amended the Planning Act to require that municipalities authorize second units (or accessory apartments) in their Official Plans and Zoning Bylaws. As a result, Section 16(3) of the Planning Act requires municipal Official Plans to authorize second units in detached, semi-detached and row houses (or townhouses).

Currently the Halton Hills Official Plan permits single detached dwellings under multiple designations in the Agricultural, Rural, and Escarpment Plan Areas; as well as within the Secondary Plans for Glen Williams and Norval. In order to conform to the Planning Act it is necessary at this time to introduce accessory apartments into these areas and regulate them.

Under the current Official Plan an Accessory Apartment is defined as a “self-contained apartment within a single detached, semi-detached, or townhouse dwelling unit.” The use is currently permitted in the Low Density Residential Areas and Medium Density Residential Areas, subject to regulations of the Zoning By-law and criteria listed in Section D1.3.1.6:

- The accessory apartment shall comply with the Ontario Building and Fire Codes;
- Adequate parking is available on the lot for both dwelling units and minimizes the loss of outdoor amenity areas or landscaping;
- The accessory apartment is designed and located in such a manner to not have a negative impact on the character of the surrounding neighbourhood and to the end any building addition shall be compatible with the massing, height, and setbacks of adjacent dwelling units; and,
- Municipal water and wastewater facilities are adequate and available.

In the Rural Area, a similar approach is proposed whereby criteria shall be laid out for all accessory apartments (excluding those permitted in the Escarpment Plan Area).

PART B – THE AMENDMENT

All of this part of the document consisting of the following Schedule and Text constitutes Amendment No. 38 of the Official Plan for the Town of Halton Hills.
