

CA Act Update

To Halton Hills Council

March 9, 2020

By Jeff Payne, Deputy CAO and Director Corporate Services

Purpose, Objects and Powers

• **20** (1) The objects of an authority are to provide, in the area over which it has jurisdiction, programs and services designed to further the conservation, restoration, development and management of natural resources other than gas, oil, coal and minerals.

All unchanged – watershed focus, natural systems focus, water management focus

Bill 108 CA Act

21.1 (1) An authority **shall provide the following programs or services** within its area of jurisdiction:

1. A program or service that meets any of the following descriptions and that has **been prescribed by regulations**:

- i. Programs and services related to the risk of **natural hazards**.
- ii. Programs and services related to the conservation and management of lands owned or controlled by the authority, including any interests in land registered on title.

iii. Programs and services related to the authority's duties, functions and responsibilities as a **source protection authority** under the *Clean Water Act, 2006*.

iv. Programs and services related to the authority's duties, functions and responsibilities under an Act prescribed by the regulations.

Bill 108 CA Act

2. A program or service, other than a program or service described in paragraph 1, that has been prescribed by the regulations on or before the first anniversary of the day prescribed under clause 40 (3) (h).

21.1.1 (1) An authority **may provide** within its area of jurisdiction **municipal programs and services** that the authority agrees to provide **on behalf of** a municipality situated in whole or in part within its area of jurisdiction **under a memorandum of understanding** or such other agreement as may be entered into with the municipality in respect of the programs and services.

CONSERVATION AUTHORITIES ACT PURPOSE, OBJECTS, POWERS

Act to Implementation
