Nando Iannicca
Regional Chair & CEO

10 Peel Centre Dr.
Suite A, 5th Floor
Brampton, ON L6T 4B9
905-791-7800 ext. 4310

Subject: National Active Transportation Strategy and COVID-19 Economic Stimulus Package

Dear Minister McKenna,

I am writing on behalf of Peel Regional Council to inform you of a motion (appended to this letter), that was recently endorsed by Regional Council. The motion pertains to the National Active Transportation Strategy and the proposed creation of a national cycling infrastructure stimulus fund as part of a COVID-19 economic stimulus package.

I would like to acknowledge the Federal Government's recent announcement to establish a National Active Transportation Strategy. The Region of Peel supports this initiative and encourages the inclusion of long-term sustainable funding to implement active transportation infrastructure and programs. As the development of this strategy moves forward, I would like to request that the Federal Government include a national cycling infrastructure fund of at least \$265 million to be distributed to Canadian municipalities over the next two years. Stimulus funding will not only help Canada's economy recover from the impact of COVID-19, it also presents an opportunity to advance the delivery of necessary active transportation infrastructure to support future population and employment growth.

The Region of Peel's Community for Life 20-year vision came from citizen feedback and reflects their priorities and hopes for life in Peel. With respect to transportation, Peel's Community for Life vision states that communities will be integrated, safe and complete and by 2035, communities will be environmentally friendly, promote mobility, walkability, and various modes of transportation, and the built environment will promote healthy living.

Peel Region's proposed active transportation network to 2041 is expected to cost \$207 million to implement, and funding through an economic stimulus package would accelerate the Region's implementation of this network.

Thank you for your consideration of this request. I look forward to working with you closely on the development of the National Active Transportation Strategy and the inclusion of a national cycling infrastructure stimulus fund.

Kindest personal regards,

A handwritten signature in black ink, appearing to read 'Nando Iannicca', followed by a horizontal line.

Nando Iannicca
Regional Chair & CEO

Nando Iannicca,
Regional Chair & Chief Executive Officer
Regional Municipality of Peel

10 Peel Centre Dr.

APPROVED AT REGIONAL COUNCIL
July 23, 2020

8.5 Motion Regarding National Urban Cycling Infrastructure Stimulus Fund as Part of a COVID-19 Economic Stimulus Package and the National Active Transportation Strategy

Resolution Number 2020-629

Moved by Councillor Santos
Seconded by Councillor Fonseca

That the Regional Chair send a letter, on behalf of Regional Council, to the Federal Government supporting the creation of a national urban cycling infrastructure fund of at least \$265 million as part of a COVID-19 economic stimulus package to be distributed over the next two years to Canadian cities;

And further, that Regional Council support the Federal Government's recent announcement to establish a national transportation strategy, and advocate for the inclusion of longer-term sustainable funding to implement active transportation infrastructure and programs;

And further, that copies of the Regional Chair's letter be sent to the Cities of Brampton and Mississauga, the Town of Caledon and neighbouring Greater Toronto Area and Hamilton municipalities as an encouragement towards collaborative advocacy to the Federal Government for a national urban cycling infrastructure stimulus fund.

Subject: Construction Noise

WHEREAS order 131/20 is a regulation under the Municipal Act, 2001 and provides that a municipality does not have the power to prohibit and regulate with respect to noise made in connection with:

- 1. Construction projects and services in a municipality associated with the healthcare sector, and*
- 2. Any other construction activity in a municipality between the hours of 6 a.m. and 10 p.m.;*

WHEREAS this Regulation came into force on April 7, 2020, but is revoked effective 18 months after that date (October 7, 2021);

WHEREAS this is a regulation under the Municipal Act, 2001, and it remains in place for the stipulated 18 months irrespective of the status of the provincial emergency;

WHEREAS there has been no indication from the province that this timeline will be changed;

WHEREAS excessive sound and inadequately controlled noise may impair public health, safety and welfare and may become a nuisance;

Page 2

August 5, 2020

Subject: Construction Noise

WHEREAS extended construction hours for construction activity not related to the healthcare sector is disruptive to Oakville residents;

THEREFORE BE IT RESOLVED:

THAT the Province of Ontario be requested to remove the section of order 131/20, as it relates to construction activity in municipalities between 6:00 a.m. and 10:00 p.m. not related to the health care sector or priority transit projects, allowing municipal by-laws to once again regulate construction noise, except for the health care sector and priority transit projects; and

THAT this resolution be forwarded to all relevant officials.

Should you have any questions regarding this matter or should you require additional information, please contact Vicki Tytaneck, Town Clerk at 905-845-6601, extension 2003, or email vicki.tytaneck@oakville.ca

Sincerely,

August 17, 2020

Dear Honourable Doug Ford;

Re: Copy of Resolution #485

Motion No. 485

Moved by: Don Murray Seconded by: Carl Sloetjes

THAT the Township of Huron-Kinloss hereby support the Council of the Township of Mapleton in their request that: The Province of Ontario undertake a review of the Farm Property Tax Class Rate Program to determine:

a. The appropriateness of the cost of the Farm Property Tax Class Rate Program falling disproportionately amongst rural residential and business property owners when the benefit of an economically competitive agricultural industry and affordable food and agricultural products is a provincial objective that should be shared amongst all taxpayers in Ontario;

b. The adequacy of funding being provided to rural municipalities to offset the cost of the Farm Property Tax Class Rate Program;

c. The differences between the amount of property taxes paid in rural and urban municipalities and the root causes of those differences;

d. Economic competitiveness concerns with disproportionately higher average property taxes being paid in rural municipalities;

e. Other methods of delivering the farm tax rebate program to farmland owners where the cost can be shared province wide

Sincerely,

A handwritten signature in cursive script, appearing to read "Kelly Lush".

Kelly Lush

PREFERRED ROUTE ANNOUNCEMENT

GTA WEST STUDY

The Greater Toronto Area (GTA) West Transportation Corridor Route Planning and Environmental Assessment Study is focusing on the planning and preliminary design of a new multimodal transportation corridor that includes a 400-series highway, transitway, and potential goods movement priority features. Public Information Centre #2 (PIC #2), held in September/October 2019, presented the draft Technically Preferred Route and draft 2019 Focused Analysis Area for comment.

The draft Technically Preferred Route presented at PIC #2 has been superseded by the Preferred Route. **The Preferred Route** map illustrates the route and interchange locations for the GTA West multimodal transportation corridor that will be developed to a preliminary design level of detail over the next 2 years. The Preferred Route map provides information on where changes have been made to the route based on the consideration of feedback from PIC #2, land use and environmental information.

TIMELINE

WINTER 2019 - SUMMER 2020

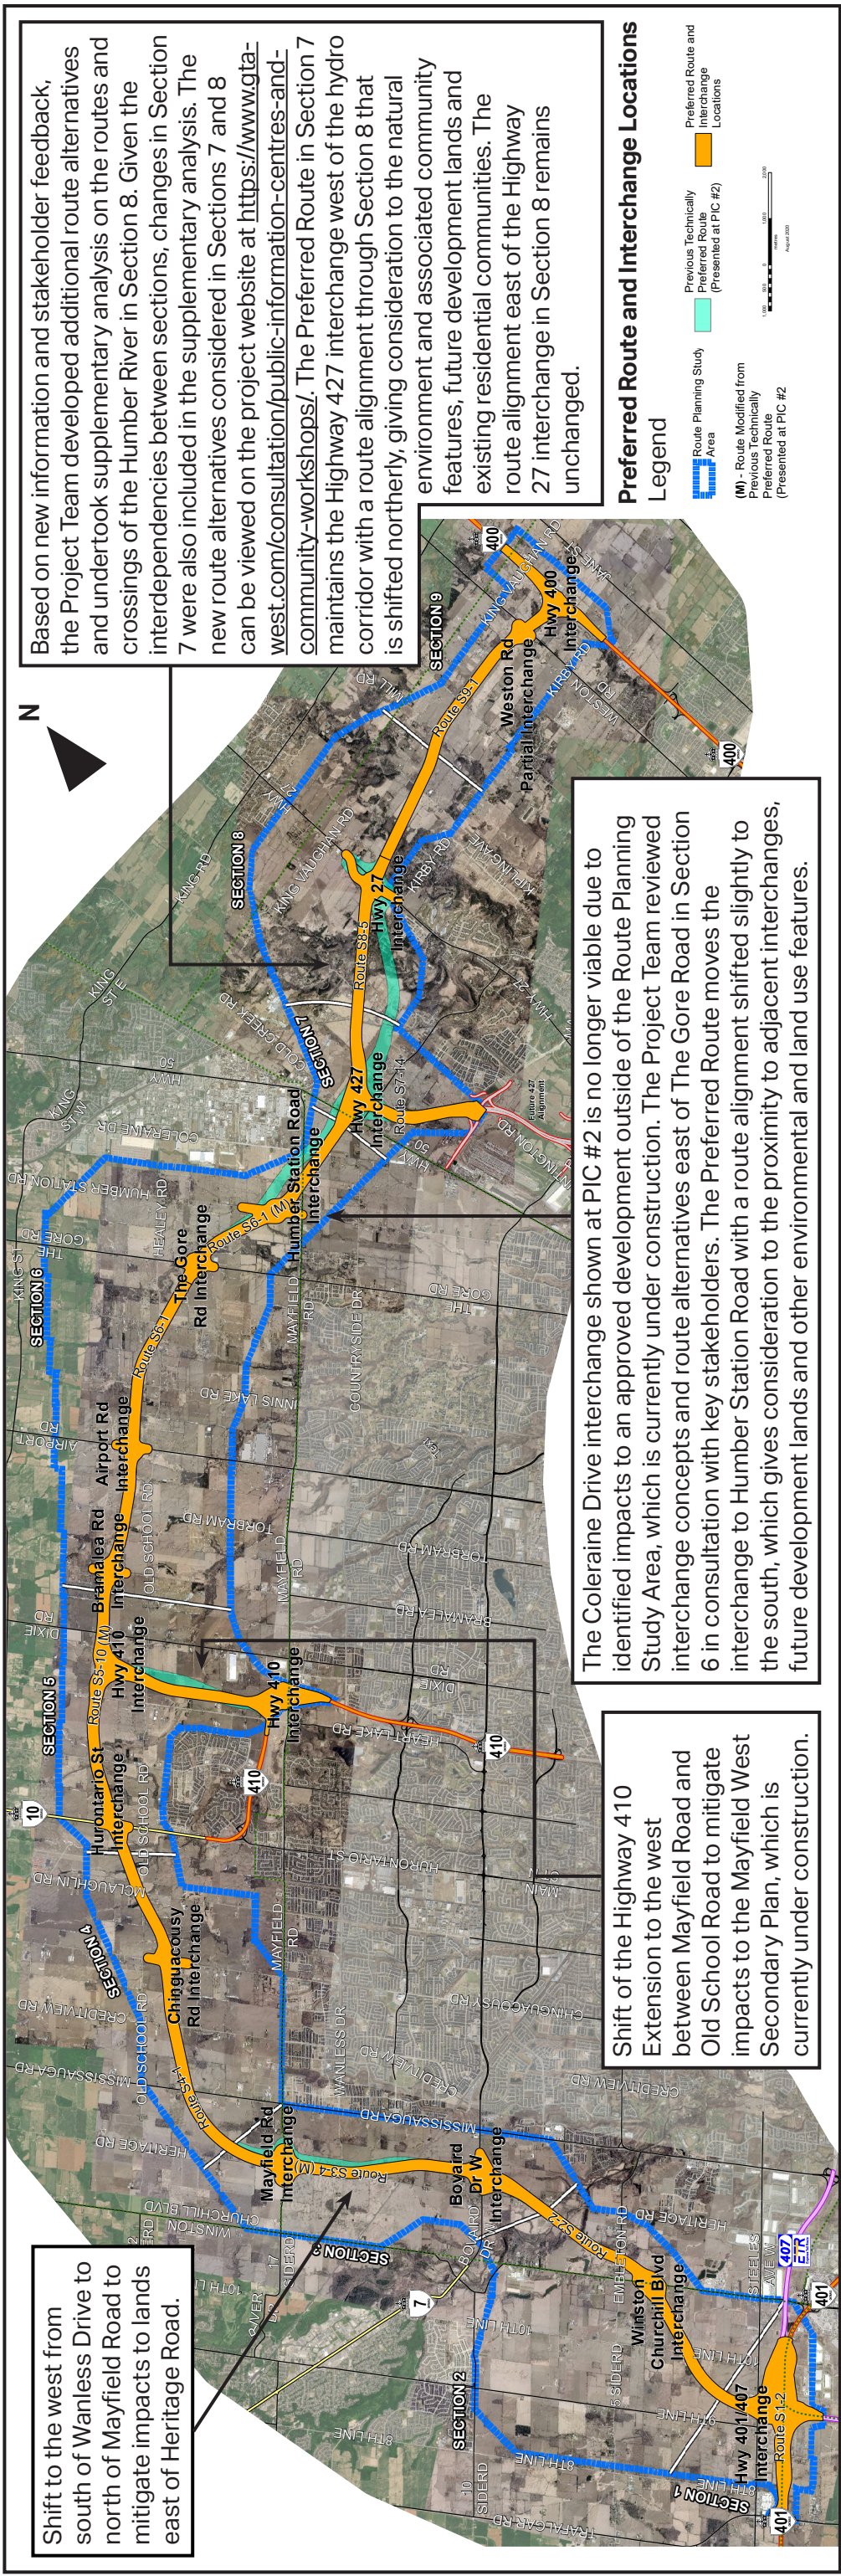

The Project Team reviewed feedback from PIC #2 and worked diligently with advisory groups, municipal staff, agencies and other stakeholders to confirm the Preferred Route and associated 2020 Focused Analysis Area for the GTA West multimodal transportation corridor.

2020 - 2021

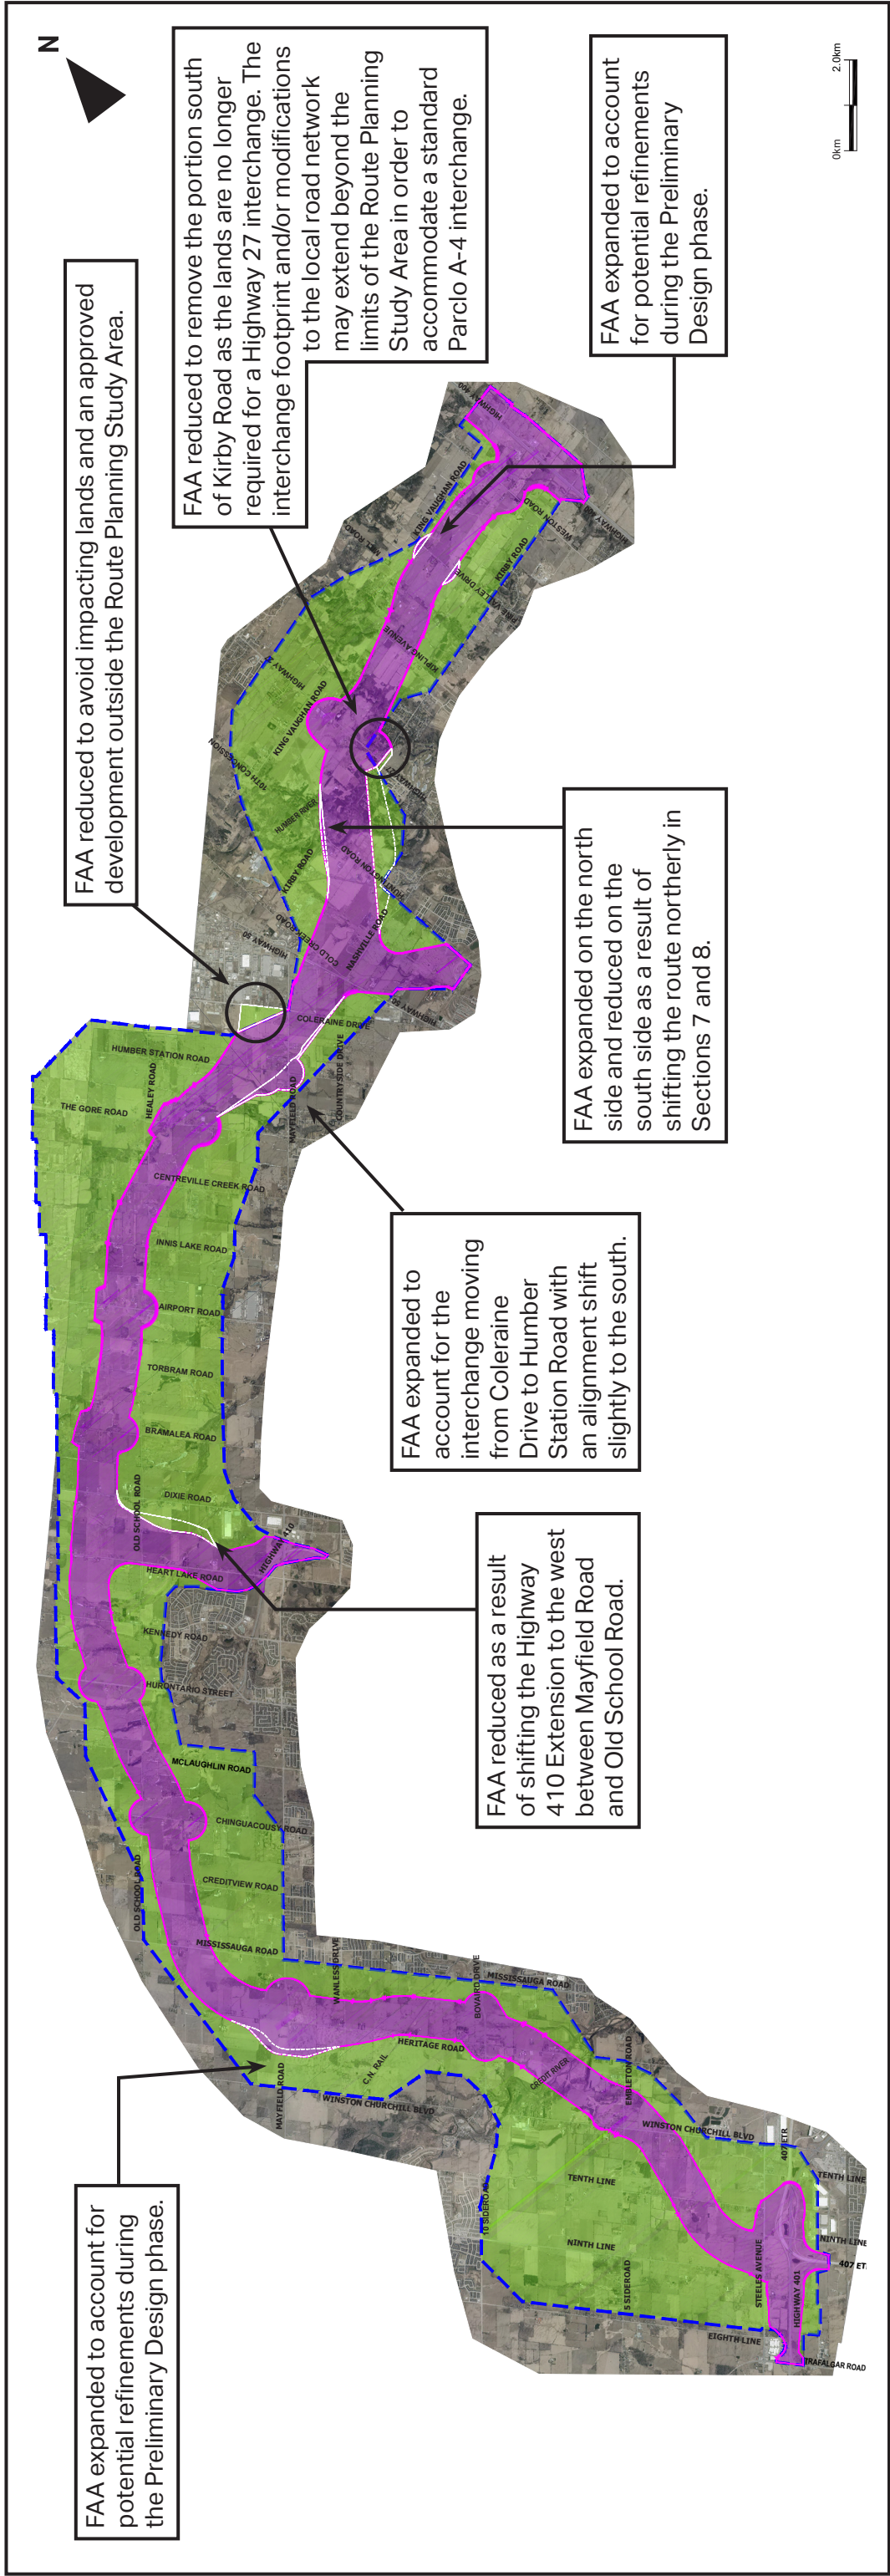

The Project Team will be undertaking fieldwork on properties potentially impacted by the Preferred Route to document existing environmental and engineering conditions.

2020 - 2022

The Project Team will develop the preliminary design of the GTA West multimodal transportation corridor. The Project Team will present the preliminary design, including property impacts and mitigation measures, at PIC #3 for public review and comment. PIC #3 is anticipated to be held in Fall/Winter 2021.

2020 FOCUSED ANALYSIS AREA (FAA)

Purple Area

The 2019 Focused Analysis Area (FAA) that was presented at PIC #2 was in draft format and has since been refined following a review of feedback and other relevant data. The refined 2020 FAA (**purple area**) is a zone that surrounds the Preferred Route and defines which properties continue to be within an area of interest as the study progresses. Properties located within the 2020 FAA could be directly impacted by the GTA West multimodal transportation corridor, ancillary uses, or if refinements are made to the route during the preliminary design stage.

More Information

You can download detailed mapping of the Preferred Route and 2020 FAA from the Public Information Centre #2 section of the project website at www.gta-west.com/consultation/public-information-centres-and-community-workshops/.
Ce bulletin peut être téléchargé en français sur le site Internet du projet à l'adresse www.gta-west.com/french/.
Des renseignements sont disponibles en français en composant (289) 835-2484 (Yannick Garnier).

Green Areas

MTO has a reduced interest in properties located in the green areas on the map. Applications can proceed through municipal development processes and MTO will continue to review all development applications in the study area, but it is anticipated that applications in the green areas will not be impacted by the GTA West multimodal transportation corridor. The Project Team aims to further reduce the FAA when the preliminary design of the Preferred Route is presented at PIC #3.

Route Planning Study Area - - - - -

Geographical area within which alternatives for the GTA West multimodal transportation corridor were considered.
